Pains Very Severe

"I suffered from womanly troubles which grew worse and worse as the months went by," says Mrs. L. H. Cantrell, of R. F. D. 2, Gainesville, Georgia.

"I frequently had very severe pains. These were so bad that I was forced to go to bed and stay there. It seemed to me my back would come in two.

"One day I read about the merits of Cardui, and as I had some friends who had been helped by it, I thought I would try it. I began to get better after I had taken half a bottle. I decided to keep on and give it a thorough trial and I did. I took in all about 12 bottles and now I am perfectly well. I do not suffer any pain and can do all my housework."
