A Correction

We wish to correct the statement of last week's issue that Mrs. C. B. Ray entertained the members of the Presbyterian Church of Barnwell. The correspondent no doubt had reference to an informal meeting of a committee of ladies from the Woman's Aid Society who met with the Board of Deacons to discuss raising funds for covering the church. As a result of this meeting the board has on hand sufficient funds to recover the church, and the work will be commenced in the near future.

A Strange Visitor

Mr. Tom Bolen, of this city, caught a loon in his backyard yesterday morning and the strange visitor has attracted considerable attention here, being on exhibition in front of Mr. Bolen's barber shop. It is thought that the bird was either exhausted by a long flight or was partially disabled by flying into a wire. A loon is a fish-eating diving bird and the one caught by Mr. Bolen is nearly as large as a goose.

Stop That Backache

Many Barnwell Folks Have Found the Way.

A dull, nerve-racking backache wearing you out? Do you feel older and slower than you should? Are you tired, weak and nervous; find it impossible to be happy, or enjoy the good things around you? Then there's something wrong and likely it's your

kidneys. Why not get at the cause? Use Doan's Pills—a stimulant diuretic to the kidneys. Your neighbors recommend Doan's. Read what this Barnwell resident says:

T. J. Attaway, prop., grocery, Main St., says: "My back bothered me and when I stood long, my back got tired and there was a steady ache through my kidneys. My kidneys were disordered and didn't act freely enough. This complaint was painful, too, at times but I used Doan's Pills and they corrected all the trou-

ble." -60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Notice to Public.

The people of Barnwell County are requested to report any defective bridges immediately to the Board of County Commissioners in order that the necessary repairs may be made with the least possible delay.
