THURSDAY, NOVEMBER 5, 1925.

At the joint meeting of Barnwell and Allendale school teachers, held here Saturday, the teachers of this county are said to have been very conspicuous by their absence, only one-third of the total number being present. So far as The People-Sentinel knows, each and every one of the absentees may have had a perfectly valid excuse. It is possible, but rather improbable. Be that as it may, we believe that the teachers should attend these meetings. They are held solely for their benefit, and they owe it not only to themselves, but to the schools they serve to better equip themselves for their daily task. It has been suggested that the trustees of the various schools in the county urge the importance of attending these meetings upon the teachers in their employ. Millions of dollars are being spent annually in South Carolina upon education and many people are of the opinion that we are not getting a just return on the investment. It is up to the teachers to justify the huge yearly expenditure.

A certain automobile salesman was deploring the fact the other day that the firm for which he works was able to get only one coupe of a certain popular priced car the month of October. He should worry. In a short time he'll be getting back a lot of those sold a few weeks ago in the belief that cotton would sell for 30 cents a pound this fall.

**CRIPPLING PAIN**  
**AMAZINGLY**  
**VANISHES**

Astonishingly quick and complete is the relief that people feel from rheumatic pain just as soon as they use this simple treatment.  
"I was suffering with rheumatism and under the care of a doctor," writes H. B. Smith of 126 McAllister St., San Francisco, Calif. "Fortunately I heard of Sloan's Liniment and after using it for three or four days was fit and well."  
How does Sloan's get these astonishing results? Because it does not just deaden the pain; it gets at the cause.  
Right to the aching spot it sends a healing tide of fresh, germ-destroying blood. No need to rub. The medicine itself does the work.  
At once you feel a warm glow of comfort—then relief. The swelling, stiffness and inflammation go down. The pain stops. Get a bottle today. All druggists—35 cents.

So Was This Barnwell Woman Who Tells Her Experience.

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Barnwell case is one of many:

Mrs. E. R. Collins says: "Mornings I was tired and my back ached a great deal. The longer I was on my feet, the more my back pained. Sharp pains shot through my kidneys and for a minute everything went black before me. My head ached and my kidneys did not act right. A good many times I couldn't do anything, my back was so sore and weak. Doan's Pills cured me."
