Bus Turns Over.

According to a report received here, one of the busses operated between Columbia and Beaufort turned over near Blackville Sunday night. It is understood that a lady passenger suffered a broken collarbone, the other occupants escaped unhurt. The bus, it is said, was running at a moderate rate of speed at the time of the accident, which was caused by the slippery condition of the road.

W. R. Hart Dies Suddenly.

Allendale, Nov. 8.—Citizens of the community were shocked and saddened last Thursday morning when the news spread that W. R. Hart, proprietor of the Oswald and Hart Filling station, had dropped dead quite suddenly shortly before 7 o'clock in the morning.

**RELIEF OBTAINED
IN ONE NIGHT**

Had rheumatism for years—
found help at last

There is no need to suffer with rheumatic pain. For nearly half a century thousands of rheumatic sufferers the world over have been getting quick and positive relief with a very simple home treatment.

"I tried every liniment you can think of," writes H. Rountree of 2714 Grand Avenue, Dallas, Texas, "but Sloan's Liniment is the best. Relief is obtained in one night."

And it is amazing—the comfort that Sloan's gives to even the most longstanding rheumatic aches.

No need to rub. A little Sloan's patted lightly on—and a healing tide of fresh, germ-destroying blood begins tingling through the aching place. Before you can believe it, the pain, swelling, and stiffness are relieved. Get a bottle today. All druggists—35 cents.

Mr. Hart had been ill the night before but had not been considered in a serious condition at all and had

risen early, as was his custom, and opened the service station, which is next door to his home. He was taken suddenly very ill and was removed to his home, dying a few minutes after.

Mr. Hart was three times married. He leaves a widow and a number of

children, ranging from a little son of three to married daughters.

He had been a resident of Allendale for many years and his genial and courteous manner had made him many friends, who sincerely mourn his death.

COAL is one of the most important factors for your comfort during the winter. As a rule, if you are warm you are happy.

ONLY those who live in a tropical climate or burn nothing but wood can afford to wait until winter arrives before ordering their coal.

AS the cold winds and Jack Frost are not far off, we would suggest that you put in your GREENBACK, the Guaranteed COAL in the near future.

LAST winter prices went up when the thermometer dropped. The same thing is more than likely to happen again, so phone us your order for COAL TO-DAY.
