ESSEX SIX COACH, TWO FORD TOURING CARS, OTHER PRIZES TO BE GIVEN AWAY

V.-C. Field Trials Drawing Large Crowds

DUNN'S DAUNTESS PEGGY IS WINNER OF FIRST FIELD EVENT

Members of Virginia-Carolina Club Are Highly Pleased with Field Trial Grounds and Hospitality of Barnwell People.—Nation-wide Interest in Events.

By A. F. Hockwalt, Staff Correspondent, The American Field.

The Virginia-Carolina Field Trial Club is holding its annual contest for bird dogs in the vicinity of Barnwell and from what has already been seen of the racing, this meet will be recorded as one of the largest ever held in the South or anywhere else. The Virginia Club is one of the oldest of its kind in America and for many years has held trials in Virginia, North Carolina and other places, but in selecting Barnwell as a field trial center the club has made one of the best moves in its history.

The trials this season are larger than ever before and among the dogs competing are some of the best in the country. Owners are here from practically every State in the Union and the races are on a par with those held at Grand Junction, Tennessee, and Vinita, Oklahoma.

The club is running four events: An open Derby for dogs under two years old, in which twenty setters and pointers were seen in competition; an open All-Age Stake in which forty-eight dogs are running, and two stakes to which dogs owned and handled by members of the club are eligible.

The grounds in the vicinity of Barnwell are among the best for field trial purposes that are to be found anywhere, as was demonstrated in the running of the Derby which was concluded shortly before noon on Tuesday.

Nation-Wide Interest.

As a proof of the nation-wide interest that is being taken in this stake one has only to glance at the names of the owners competing. Men are here from Georgia, Mississippi, Alabama, Ohio, Indiana and even from far off Oklahoma.

The winner of the stake was the pointer, Dauntless Peggy, owned by Jack Dunn, owner of the Baltimore Oriole Base Ball Club, of Baltimore, Md. Second to her was a pointer

coming from Oklahoma. The dog is Jess Reynolds' Diamond, owned by M. S. Hughes, of Bristow, Oklahoma, and her handler is Ed. Farrior, well known field trial trainer of bird dogs from Union Springs, Alabama. The third dog is Bob Tyre, a setter from Evansville, Indiana.

The competition was interesting, but on these wide open courses in the fields surrounding Barnwell, bird dog owners are able to show their dogs to the best advantage, and everyone who has been following the trials seems highly pleased with the prospects of making these grounds a permanent field trial center.

Others May Come.

At the present time there is talk of bringing the National Associated Amateur Championship here and if the remaining stakes prove as satisfactory as those which have already been run, there is little doubt but that Barnwell will be numbered among the leading field centers before another year passes.

The all-age stake has forty-eight starters, which is the same number that started in the trials at Vinita, Oklahoma, last week. This is a record for all-age stakes and the Virginia-Carolina Club may well feel proud of its achievement in bringing a record entry to Barnwell.

The officers of the Virginia-Carolina Club are well pleased with their new location. President R. T. Steadman who rode the courses behind every brace of dogs that ran on Monday and Tuesday expressed the sentiment of his club when he said that next year the Virginia-Carolina Bird Dog Association would put on a trial even larger than the present one. Secretary T. S. Comstock is equally well pleased, not only with the excellent grounds, but the whole-hearted spirit of cooperation which the citizens of Barnwell are giving to the visitors in making the bird dog trials a success.

"Buddie's" Head—Old and New

Strong feeling of comradeship was shown between Commander Drain (left) the retiring head, and "Go Get 'Em" John R. McQuigg, newly elected Commander of the American Legion. Commander McQuigg's overseas record made him the unanimous choice.

BARNWELL WINS BY LARGE SCORE SWAMPS BLACKVILLE IN ONE-SIDED GAME.

Annual Barnwell County Classic Was Triumphant March for Visitors.

Score Was 51-0

The Barnwell High School football boys got revenge on their ancient rivals—Blackville—in the annual Barnwell County classic when they took the big end of a 51 to 0 score on the latter's field Wednesday afternoon of last week. Smarting under two successive defeats, each by a small margin, the members of the local team invaded Blackville with a determination to even the score—and this they did with a vengeance. Blackville has a scrappy team and under the leadership of Captain Ninestein, who was ably supported by Hair, Magruder and others, battled to avert a crushing defeat, but Barnwell would not be denied. After the first few minutes of play, it was more like a triumphal march down the field for the victors than a football game between two keen but friendly rivals. Barnwell was able to gain at will, making 33 first downs to none by their opponents.

Sidney Carroll was the outstanding star of the game, making five of the eight touchdowns. Each of the other backfield men also scored. To name all of the stars sounds like a roll call of the entire team, but, in addition to Carroll, those coming within this category were Armstrong, Lemon, Davies, Parker and Halford, while Holland, J. Black, L. Black, Wingo, Harley and Holley also acquitted themselves splendidly.

In the last few minutes of play, Carroll intercepted a forward pass and ran 50 yards through the entire Blackville team for a touchdown. Time after time their line was ripped open for big gains, and whenever Barnwell got possession of the ball a drive was started that could not be halted. When the final whistle blew, the ball was in Barnwell's possession within Blackville's 20-yard line.

In fairness to Blackville, however, it must be stated that their team this year is not up to the standard of the past two seasons and was outweighted, as well as outplayed, by the Barnwell squad. On the other hand, the drive and determination displayed by Barnwell in Wednesday's game would have overcome the opposition of a team equally as good in other respects. Briefly, it was a case in which the best team won and the losers are to be congratulated upon their gameness in fighting to the final whistle.

BANQUET ENJOYED

Between 200 and 300 ladies and gentlemen enjoyed the banquet and dance given Tuesday evening in honor of the members of the Virginia-Carolina Field Trial Association, who are holding their annual meeting here this week. Long tables were arranged in the garage of Vickery Bros. and a barbecue dinner, with all the trimmings, was served. During the banquet, music was rendered by an orchestra from Augusta, adding greatly to the enjoyment of the occasion. The banquet was unique in that there were no "after dinner speeches," and one gentleman was heard to remark that he enjoyed it more than any affair of this kind because the usual speech-making was conspicuous by its absence.

Immediately after the banquet, the tables were removed from the garage and the devotees of Terpsichore tripped the light fantastic until the wee sma' hours of Wednesday morning. All in all, it was a fitting climax to an excellent day's sport with the dogs on the trial field.

Col. Steadman, president of the V.-C. Club, remarked that never, in all his experience, had he seen such hospitality and cordial cooperation as has been shown the members of the Association by the people of Barnwell and this seems to voice the sentiment of his fellow members. The People-Sentinel wishes to assure each and every one of the visitors of a hearty welcome and to express the hope that they are so well pleased, not only with Barnwell's hospitality and cooperation (which should be taken as a matter of course), but also with the trial grounds, which have been pronounced by many as the finest in the country, that they will see fit to select this city as their permanent place of meeting.

Turkey Dinner Tomorrow Night.

The ladies of the Barnwell Episcopal Church will serve a turkey dinner tomorrow (Friday) evening, beginning at six o'clock, in the store formerly occupied by Weiner Bros., next door to the millinery store of Miss Carrie A. Cave. A cordial invitation is extended to the public to enjoy an excellent dinner and at the same time help a worthy cause, the proceeds being for the benefit of the church.

Box Party at Double Pond.

Announcement is made that there will be a box party at the Double Pond schoolhouse tomorrow (Friday) evening at 7:30 o'clock, the proceeds being for the benefit of the school. The public is cordially invited to attend.

THE PEOPLE-SENTINEL LAUNCHES MAMOTH PROFIT SHARING CAMPAIGN THAT SHOULD FIND FAVOR WITH ALL

The Campaign Is Open To All And Lasts But Eight Weeks; Every One Taking Part Will Be Rewarded; Get Started Today.

The largest circulation campaign ever attempted by a county newspaper in this section of South Carolina will be staged by The People-Sentinel. In this issue appears a comprehensive description of this monster Automobile and Prize Campaign, with rules, regulations and full information.

We propose to put The People-Sentinel in every home in the county. We are out for 4,000 subscribers. Are you with us? While The People-Sentinel already enjoys a large circulation its scope of usefulness can be greatly increased with a larger subscription list.

With this end in view, we have planned and today announce a big subscription campaign in which three classy high-powered motor cars will be awarded as the principal prizes. An Essex Coach, fully equipped with balloon tires and all that it takes to make a car look its best, will be given as the Grand Capital Prize in this campaign. This car has been purchased from W. D. Harley, and is on display at his show rooms. The Essex was chosen after a careful consideration of all makes of cars, because of its beauty and splendid performance and easy riding qualities.

In order to give candidates in Barnwell and the entire county a chance to win an automobile, we have decided to divide the county in two districts and award an automobile for each district. For this purpose, we have purchased two 1926 Ford Touring Cars and will award each one of them as a Grand Prize to each district. In this way each district is guaranteed an automobile, besides the splendid possibility of winning the Essex Coach.

To divide the county and make each district as even as possible we have decided to arrange the districts as follows: Barnwell and all territory South of the Atlantic Coast Line railroad will be district No. 1. All territory North of the Atlantic Coast Line railroad with Williston and Blackville as the principal towns will be district No. 2.

In addition to the three motor cars there will be eight other costly and beautiful awards, such as Fancy Jeweled Wrist Watches, Magnificent Diamond-Rings, elegant 26 piece Sets of Silverware. In other words there are four prizes guaranteed to each district, headed by a late model Ford Touring Car. Then there is the Essex Coach as the leading prize for the entire campaign.

And in addition to all of this there will be a cash commission of ten per cent to all those who fail to win one

Meat Markets Closed on Sundays.

Acting on a petition submitted by proprietors of local meat markets, the city council Monday evening unanimously adopted an ordinance prohibiting the opening of such places of business on Sunday mornings from November 1st to April 1st.

The members of council also authorized the immediate purchase of a tractor from the Dicks Auto Co., which will be used for the purpose of dragging the streets of the city.

Returns from Florida.

Mrs. Julia B. Easterling has just returned from a tour of the West Coast of Florida and in a short note to The People-Sentinel she says: "I enjoyed so much the fruits and flowers, the fine orange groves and the wonderful little cities which have sprung up like magic in this lovely Land of Flowers." Mrs. Easterling made the trip with a party of 52 people.

of the above prizes, according to the rules of the campaign.

Our slogan, "Everybody Wins" is one of the big features to be considered in this campaign. There will be no losers in the race as the ten per cent commission protects all those who take part.

This is not a something for nothing scheme; in fact it no scheme at all, neither is it a charitable undertaking on the part of this newspaper. Its object is to secure 4,000 paid-up subscribers to The People-Sentinel in the shortest time possible, to secure arrears and advance subscriptions and last, but not least, to win for The People-Sentinel a welcome in every home in Barnwell County, and surrounding territory.

Will It Pay?

Will it pay? That is the question that will naturally occur to all who read this announcement. Yes, it will pay. Not so much in dollars and cents right at the moment, but all dividends earned by newspapers are not figured on a financial basis.

During this campaign thousands of subscribers will be added to our list which will mean an immediate enhancement to the potency of this newspaper as an advertising medium—the principal source of revenue. A large number of hustlers will be happier and richer in purse as the result and there will be great satisfaction in all of that, because the general good will engendered and prestige gained for The People-Sentinel will be almost inestimable.

Short and Snappy Affair.

The campaign will not be a long drawn out affair, but will extend over a short period of eight weeks. Think of what you are able to secure in this length of time. Prizes that would ordinarily require months, even years of self-denial to acquire, and here they are offered for your spare time and effort during the next few weeks in helping this newspaper to extend its sphere of usefulness for the benefit of the community. The competition will be more interesting, and far reaching than any other ever before undertaken in this section of the State. The prizes are not only rich in material value but are in keeping with the broad and liberal lines along which the enterprise has been drawn. Ambition and energy are the only requisites required for success. Eight short weeks and you may be riding in your own car or be the possessor of one of the other valuable prizes.

Information and Assistance.

In order to give every one who enters this campaign the greatest possible assistance, and be able to take care of every one at the same time, The People-Sentinel has secured the services of Mr. S. F. Shaw, District Supervisor, of the National Circulation Co., of Quincy, Ill., who is thoroughly experienced in this line of work and will give his entire time and attention to those who desire to participate. Come in and see him personally and secure first-hand information about how to go about winning one of these costly automobiles, or one of the other valuable prizes. Or if you can't call, clip the "Nominal Ballot" appearing in this issue and mail to the Campaign Department of The People-Sentinel, Barnwell, S. C. The manager of the campaign will gladly see that you are fully informed of the entire plan. Boost this whole community and entire territory by nominating yourself, your daughter, your son, your wife or some friend as a candidate, and start the ball rolling with your own subscription for one or more years.

LET'S GO! DO IT TODAY!

Senator Blease to Publish Newspaper

Announcement was made in Anderson recently that Senator Cole L. Blease, of South Carolina, would begin, on December 10, the publication of a weekly newspaper, to be known as "Blease's Weekly." The publication will be edited personally by Senator Blease and will contain weekly his views on all matters of importance in the national capital, in addition to the senator's opinions regarding various political and governmental problems.

Senator Blease's publication will make its appearance on December 10. It will be printed at Anderson, and mailed from there. The subscription price to the publication, which will be full-sized seven-column newspaper, will be \$2 a year, payable in advance. Wilton E. Hall, Editor of The Anderson Independent, will be business manager of the new paper.

Much interest has been aroused over the announcement that Mr. Blease would give the people of South Carolina and elsewhere, his views each week through a newspaper of his own. It is believed that the new paper will be given a warm welcome in this State, as Mr. Blease's friends will hail its appearance as a free lance, independently published organ, expressing Mr. Blease's ideas after the manner used by the late Senator Tom

The Home Bank's Xmas Party.

The members of the Liberty Bell Christmas Savings Party are requested to call at the Home Bank of Barnwell on December 10th or any day thereafter and get their money, with interest.

It has been a pleasure to the officers of the bank to assist and encourage this plan for Christmas savings, as many have money at this time of the year who possibly would not if it were not for the idea of depositing a little each month. In this way, they are enabled to save a little sum for their Christmas shopping. The bank pays them five per cent on their savings and it is the wish and hope of the bank that many more will join this club or party beginning with the New Year.

Masonic Lodge Meets Tonight.

There will be a special communication this (Thursday) evening of Harmony Lodge No. 17, A. F. M., at which time the E. A. Degree will be conferred. All members are urged to attend and visiting brethren are cordially invited to be present.

Watson, of Georgia, whose paper was for years a favorite in that State and over adjoining States. It is announced that sample copies will be mailed persons who request them, while the subscription books of the paper are open and many subscriptions have been received.
