

THE PEOPLE-SENTINEL

ANNOUNCES

A Mammoth \$2,500.00 Prize Campaign

THE PLAN IN BRIEF

THE BARNWELL PEOPLE-SENTINEL takes pleasure in announcing this the most stupendous profit-sharing circulation building campaign ever held in this section of the State. Friends and readers of this newspaper are to decide the winners of these wonderful prizes which cost hundreds of dollars. When we purchased these elegant and valuable gifts we had you in mind. We knew you would want an automobile, almost everyone does. We selected an ESSEX COACH, latest model and fully equipped with selected an ESSEX COACH, latest model, with balloon tires, and two late model FORD TOURING CARS, because of the popularity of both in giving service, durability and satisfaction.

In selecting the eight other costly gifts and deciding on the guaranteed prize feature of 10 per cent commission we were governed by one thought—fair play to all participants, whether living in town or in the country. Working conditions are equalized in both territories and all those taking part will be compensated according to their efforts. We have no "favorites" to play. Each and every candidate will be given a fair, square and impartial opportunity to win the coveted prizes.

THE PEOPLE SENTINEL with its already growing list of subscribers, illustrating beyond a doubt its value as a home newspaper, desires to further increase its circulation all through

this section. For this purpose hundreds, even thousands of dollars worth of valuable awards are to be lavished upon the live, wide-awake, red-blooded men, women, boys and girls who will exert a little effort during their spare time to obtain subscriptions for this newspaper.
