SCHOOL FACULTY TO HAVE BANQUET

TRUSTEES TO BE GUESTS ON THURSDAY, DECEMBER 17 AT 7:30 P. M.

Dunbarton Hi-Notes, Dec. 11th.

The trustees of the seven cooperating districts will be the guests of the teachers of the Dunbarton High School at a banquet next Thursday night. The supper will be held in the hotel building at Dunbarton and will be staged at seven-thirty o'clock. There are twenty trustees and each of these is expected to invite a man of influence in his district to accompany him. About fifty men are expected to be present.

An elaborate plate will be served by the women teachers of the school, and Supt. King will act as toastmaster. The banquet is planned as a get-together meeting of the teachers and trustees and other patrons and friends of the school. This is the first time that a banquet has been served, and it is hoped that the event will become an annual affair.

Uneasy Tight Feeling

"I used Theodora's Black-Draught first for constipation," said Mrs. C. E. Buntin, of R. F. D. 5, Starkville, Miss. "I would feel dull, stupid, and have severe headaches, even feverish. I had an uneasy, tight feeling in my stomach. I read quite a bit about

BLACK-DRAUGHT

Liver Medicine

I began using it and soon my bowels acted regularly and I was greatly relieved. I used it every once in a while for about 18 years.

"About two years ago I found I was having indigestion, a tight smothering in my chest, then severe pain, especially after eating sweets. I commenced taking just a pinch of Black-Draught after meals, and by doing this I could eat anything.

"I gave Black-Draught to my children for colds and headaches. I can certainly recommend it."

Black-Draught is used, with satisfaction, by millions. Get Theodora's.
