Head and Chest Colds Relieved In a New Way

A Salve which Releases Medicated Vapors when Applied Over Throat and Chest.

Inhaled as a vapor and, at the same time absorbed through the skin like a liniment, Vicks VapoRub reaches immediately inflamed, congested air passages. This is the modern direct treatment for all cold troubles that is proving so popular in Canada and the States where over 17 million jars are now used yearly. Splendid for sore throat, tonsillitis, bronchitis, croup, head and chest colds, catarrh, asthma or hay fever. Just rub Vicks over throat and chest and inhale the medicated vapors. It quickly loosens up a cold.

Frequent Bilious Attacks

"I suffered with severe bilious attacks that came on two or three times each month," says Mr. J. P. Nevins, of Lawrenceburg, Ky. "I would get nauseated. I would have dizziness and couldn't work. I would take pills until I was worn-out with them. I didn't seem to get relief. A neighbor told me of

BLACK-DRAUGHT

Liver Medicine

and I began its use. I never have found so much relief as it gave me. I would not be without it for anything. It seemed to cleanse my whole system and made me feel like new. I would take a few doses—get rid of the bile and have my usual clear head, feel full of pep, and could do twice the work." Bilious attacks are "seasonal" with many people. Millions have taken Theodor's Black-Draught to ward off such attacks, and the good results they have reported should induce you to try it. "All Druggists"
