Stop That Backache!

Many Barnwell Folks Have Found the Way.

Is a dull, nerve-racking backache wearing you out? Do you feel older and slower than you should? Are you tired, weak and nervous; find it impossible to be happy, or enjoy the good things around you? Then there's something wrong and likely it's your kidneys. Why not get at the cause? Use Doan's Pills—a stimulant diuretic to the kidneys. Your neighbors recommend Doan's. Read what this Barnwell resident says:

T. J. Attaway, propr., grocery, Main St., says: "My back bothered me and when I stood long, my back got tired and there was a steady ache through my kidneys. My kidneys were disordered and didn't act freely enough. This complaint was painful, too, at times but I used Doan's Pills and they corrected all the trouble."

Sin's Ending

There is more bitterness in sin's ending than there ever was sweetness in its acting. If you see nothing but good in its commission, you will suffer only woe in its conclusion.

To the Tax Payers and Electric Light and Power Users of Barnwell:

We feel that, so far, we have made the citizens of Barnwell the most businesslike and only bona fide offer for their power plant, as we have the only super-power connection in this part of the State, and while we naturally regret that the members of Council, in their wisdom, saw fit to reject all bids Monday night, we congratulate them on their efforts to secure the very best for Barnwell and stand ready and willing at all times to cooperate with them to this end.

We maintain the Edisto-Savannah River Development Bureau, at 70 Bay Street, Boston, Mass.; and this service is at the command of the citizens of Barnwell at any time.
