**Death of a Little Boy.**  
 Joe Tyler, the 24 months old son of Mr. and Mrs. Robert A. Patterson, of Barnwell, died in an Augusta hospital Saturday morning after an illness of several days. All that was possible was done to stay the summons of the Grim Reaper, but the skill of physicians and the tender nursing of loving hands were unavailing and now the pure white spirit is safe in the arms of Him who said "Suffer little children to come unto Me." The little body was brought back to Barnwell and laid to rest Sunday morning in the Episcopal Churchyard, the funeral services being conducted at the home of Mrs. J. O. Patterson by the Rev. R. W. Humphries in the presence of a large number of relatives and friends. The sympathy of the entire community goes out to the bereaved parents in their dark hour of grief.

**For Bride-elect.**  
 Mesdames J. M. Terry and C. W. Mitchell were joint hostesses on last Thursday afternoon at the home of the former when a miscellaneous shower was given in honor of Miss Elma Cave, whose marriage to Mr. Louis King, of Beaufort, will take place on June 3rd.

**Bilious dull feeling**  
 "MY old stand-by is Thedford's Black-Draught—I have used it off and on for about 20 years," says Mr. W. S. Reynolds, of R. F. D. 2, Arcadia, La.  
 "I get bilious and have a bad taste in my mouth. My head feels dull. I don't just feel like getting around and doing my work. I know it isn't laziness, but biliousness."  
 "So I take a few doses of Black-Draught and when it acts well, I get up feeling like new—full of pep and ready for any kind of work."  
 "I can certainly recommend it." In case of biliousness and other disagreeable conditions due to an inactive liver, Black-Draught helps to drive the poisonous impurities out of the system and tends to leave the organs in a state of normal, healthy activity. Black-Draught is made entirely of pure medicinal roots and herbs and contains no dangerous or harmful mineral drugs. It can be safely taken by everyone. Sold everywhere. Price 25c.

**IT'S HARD TO DECIDE**  
 Why a woman can wear a straw hat in the winter and furs in the summer and get away with it—but she does it; if she is homely she will do anything to keep her husband—if she is pretty she will do anything to keep her good looks. The Home Bank is not trying to "get away" with anything when we tell you that the amount of money you earn shows how good a workman you are; the amount of money you SAVE shows how good a business man you are. Your ability to earn money will not always be as good as it is today, so you'd better start a savings account with us and get 5 per cent interest compounded semi-annually; you'd be surprised to see how fast it would grow.
