COLLECTION OF TAXES.—The collection of the ten per cent. contribution still goes on finely in this county. We trust that those taxpayers who have not paid, will do so at once. The book will probably be closed in a very short time, and every citizen should at once call on the Special Agent and pay the quota. The amount collected up to four o'clock on Monday is \$4,050.19.

Intelligence has been received of the death, in Brooklyn on Friday last, of the Rev. Henry R. Dickson. Mr. Dickson was well known to the people of Fairfield, having been for years a member of Harmony Presbytery. Two years ago he assumed charge of a Dutch Reformed church in Brooklyn where he has since been officiating. His death, which resulted from congestive chills, will be sincerely lamented.

FAIRFIELD SABRE CLUB.—We have been requested to state that there will be a meeting of this Club in Winnsboro on Saturday next at 11 a. m. We understand that the object of the meeting is to place the Club upon a full military footing, and to tender the organization to Governor Hampton to be enrolled as a part of the State militia. It is desired that every member of the Club, and all who purpose joining it, be present next Saturday at the meeting.

Stanley Matthews' Letter to Chamberlain.

WASHINGTON, March 10.—The following letters were made public yesterday by Governor Chamberlain, at the special request of Stanley Matthews, and are the letters alluded to by Mr. Blaine in the Senate on the 7th inst.:

WASHINGTON CITY, MARCH 4, 1877.
Hon. D. H. Chamberlain, Columbia, S. C.:

MY DEAR SIR—I have not the honor of a personal acquaintance with you, but have learned to respect you from my knowledge of your reputation. I take the liberty of addressing you now, with great distrust of the propriety of doing so, prefacing it by saying that I speak without authority from any one, and represent only my own views. The situation of public affairs in South Carolina is too complicated to be discussed at length in a note, and yet impresses me as one that ought to be changed by the policy of Republican statesmen in such a way as not only to remove all the controversies that disturb that State, but to remove the embarrassments arising from it to the party in other parts of the country. It has occurred to me to suggest, whether by your own concurrence and cooperation, an arrangement could not be arrived at which would obviate the necessity for the use of Federal arms to support either government, and leave that to stand which is able to stand itself. Such a course would relieve the administration from the necessity, so far as executive action is concerned, of making any decision between the conflicting governments, and would place you in a position of making the sacrifice of what you deemed your abstract rights for the sake of the peace of the community, which would entitle you to the gratitude not only of your own party, but the respect and esteem of the entire country. I trust you will pardon the liberty I have taken, as my motive is to promote not only the public but your personal good. With great respect,

STANLEY MATTHEWS.
Appended to the foregoing letter are the following lines by Mr. Everts:

DEAR GOVERNOR—I have read this letter, and conversed with Col. Huskell and Senator Gordon on this subject, so interesting to us all. I should be very glad to aid in a solution of the difficulties of the situation, and especially to hear from you, speedily. With my compliments to Mrs. Chamberlain,

Yours, very truly,
WM. M. EVARTS.
