We invite the attention of persons visiting the printing-office of THE NEWS AND HERALD to two notices posted conspicuously on the door and walls: 1. NO ADMITTANCE EXCEPT ON BUSINESS. 2. DON'T TALK TO THE PRINTERS.

A rumor had some currency on Friday, to the effect that the administration had formally recognized Chamberlain as governor. Inquiry resulted in ascertaining that the report was entirely untrue.

RELIGIOUS SERVICES.—In the Associate Reformed Presbyterian church the sacrament of the Lord's Supper will be celebrated on Sunday morning. The usual preparatory services, begun last night, will be continued to-day at 11, A. M., and at 7.30, P. M. Preaching by Rev. J. P. Marion, of Chester.

We are informed that a cabin occupied by negroes, in the Cedar Creek neighborhood, was destroyed by fire on Thursday last, and a young negro child burnt to death. It seems that a negro boy, left to take care of the infant, set fire to the building. We are told that this boy has before set fire to houses in which he was left by his mother.

No Action Yet.—A Washington telegram, dated March 22, says: "The Cabinet has adjourned without considering South Carolina. Members say they are not yet at liberty to make the proceedings public."

THE TOWN DIVISION.—As will be learned from a notice published in another column, the annual election of intendant and wardens of Winnsboro for the ensuing year will take place on the first Monday in April next. The usual registration of the voters will commence on Thursday preceding and continue for three days. As suggested in our last issue, we think it important that the taxpayers should meet and make such nominations as they may deem for the best interests of the community. We therefore suggest that a public meeting be held for this purpose on Thursday, Friday, and Saturday preceding the day of election. When the meeting shall be held, we trust it will be largely attended.

GOVERNOR'S PARDON REQUESTED.—Governor Hampton has granted a pardon to David Gordon, who was undergoing sentence for the crime of assault and battery with intent to kill, of which he was found guilty at the January term of the circuit court, and for which he was sentenced to three months' imprisonment in the county jail. The pardon was granted on the petition of the prisoner's attorney, accompanied with a physician's certificate that the prisoner's health was such that further confinement would result seriously if not fatal. The document was served upon Sheriff Ruff on Thursday, and Gordon at was once discharged from custody.

MALICIOUS MISDEMEANOR.—Eli James, a negro who has already won some notoriety from his frequent appearance in court either to answer to a charge or to escape punishment by turning State's evidence, was arrested a few days ago and lodged in the county jail. He is charged with having torn off the railings from the fence around the front garden of the residence of Mr. W. R. Doty. If the accused be found guilty of this charge, he should be punished in the extreme penalty allowed by law. There is no more wanton malicious or provoking species of mischief than that of defacing or destroying private property. Such crimes as this are most difficult of detection, and when an offender is caught and convicted, he should be made so to suffer as that his case may be a warning to all such offenders. In our opinion, a few years at hard labor in the penitentiary, or, better, in solitary confinement, would be none too severe a punishment for the fool or the knave who amuses himself or gratifies some petty spite by destroying other people's property.—The negro charged in this case is an old criminal, but he has had the knack of getting out of his scrapes by turning State's evidence. He will have no such chance now, and if he be convicted will doubtless spend a term in the penitentiary.
