GENERAL GOSSIP.

Governor Hampton is now at last a truly good man. He has been "photographed by Bradey."

The following significant editorial paragraph appeared in the New York Tribune of the 30th: "What Wade Hampton and Wade Hampton's friends are saying to the President in Washington, a staff correspondent of the Tribune at Wade Hampton's capital finds to be the truth. Certainly this showing of facts leaves no room for doubt as to whom the people of South Carolina recognize as their governor."

The National Republican says: "The Hon. Wade Hampton draws very well, and it might be an object for the hotel-keepers to allure him to Long Branch during the season. That resort will no longer be the summer capital, and an occasional steamer on her beam ends will be too tame and transitory for a first-class sensation. Mr. Hampton might answer for a permanent attraction."

The poor carpet-baggers are having a horrible time, everybody is giving them a parting kick. The Washington correspondent of the New York Herald says:—"The Democrats are more uneasy than the administration at threats which the "carpet-baggers" have been making for some time to go over to the Democratic party. "That's just like our confounded luck," said a leading Democrat to day, when the matter was mentioned to him. "We don't want these fellows. The Republicans are welcome to them."

The Charleston delegation of capitalists in Washington held free conferences with the members of the cabinet concerning the situation here. Attorney General Devens urged upon a member of the committee the advisability of arranging some plan by which the people of the State could settle their difficulty themselves, to which the member replied that that had already been done; that the people had decided the question, and only desired a withdrawal of the Federal interference to allow that decision to be effectual. The interview with Secretary McCrary was very highly satisfactory. Secretary Thompson, from whom some opposition was expected, surprised the Southerners by a very forcible expression of the opinion that the troops had no business in the Statehouse, and never should have been there. Secretary Sherman talked very fairly and moderately. Mr. Schurz seemed to feel very much as Mr. Devens did.

Singing Church Notices.

The Rev. E. P. Parker, in the Christian Union, proposes that church notices, which are usually read during service, should be sung or chanted. He argues that the delivery of them in the solemn order of the hour is an interruption, and are received as an element foreign to the service. He proposes the reduction of all such notices, on Saturday night, to the hymnic form, that they may be properly sung by the choir. Here are some examples:

"The deacons of this church, And the committee too, Will meet on Monday night, Grave matters to review. A full attendance is desired, And is most urgently required."

L. M. "On Thursday evening will be held The weekly gathering for prayer; The pastor feels himself impelled To urge the brethren to be there."

S. M. "The Bpuy Bees will meet On Friday evening next; Young gentlemen to tea, at six, They eagerly expect."

C. M. "The Ladies' Sewing Circle meets On Saturday p m; All garments for the Mission Box May then be sent to them."

CHANT. "The Cold Water Lodge of Good Temp-lars | number 2, Will hold a festival and | fair on | Tues-day | evening. Soda water, ice cream, and fancy arti-cles | will be sold. All friends of temperance are | cordial- | ly in- | vited."

VEGETINE

PURIFIES THE BLOOD, Renovates and Invigorates the Whole System. Its Medicinal Properties are Al-terative, Tonic, Solvent and Diuretic.

VEGETINE is made exclusively from the juices of carefully selected barks, roots and herbs, and so strongly concentrated, that it will effectually eradicate from the system every taint of Scrofula, Scrofulous Humor, Tumors, Cancer, Cancerous Humor, Erysipelas, Salt Rheum, Syphilitic Diseases, Canker, Painsness at the Stomach, and all diseases that arise from impure blood. Sciatica, Inflammatory and Chronic Rheumatism, Neuralgia, Gout and Spinal Complaints, can only be effectually cured through the blood.

For Ulcers and Eruptive Diseases of the Skin, Pastules, Pimples, Blotches, Boils, Tetter, Scald-head and Ringworm, VEGETINE has never failed to effect a permanent cure.

For Pains in the Back, Kidney Complaints, Dropsy, Female Weakness, Leucorrhoea, arising from internal ulceration, and uterine diseases and General Debility VEGETINE acts directly upon the cause of these complaints. It invigorates and strengthens the whole system, acts upon the secretive organs, allays inflammation, cures ulceration, regulates the bowels.

For Catarrh, Dyspepsia, Habitual Constiveness, Palpitation of the Heart, Headache, Piles, Nervousness and General Prostration of the Nervous System, no medicine has given such perfect satisfaction as the VEGETINE. It purifies the blood, cleanses all the organs, and possesses a controlling power over the nervous system.

The remarkable cures effected by VEGETINE have induced many physicians and apothecaries whom we know to prescribe and use it in their own families.

In fact VEGETINE is the best remedy yet discovered for the above diseases, and is the only reliable BLOOD PURIFIER yet placed before the public.

All Diseases of the Blood.

If VEGETINE will relieve pain, cleanse and purify and cure such diseases, restoring the patient to perfect health after trying different physicians, many remedies, suffering for years, is it not conclusive proof, if you are a sufferer you can be cured? Why is this medicine performing such great cures? It works in the blood, in the circulating fluid. It can truly be called the GREAT BLOOD PURIFIER. The great source of diseases originates in the blood; and no medicine that does not act directly upon it, to purify and renovate, has any just claim upon public attention.

OXYGENATED AIR!

(Send for our large and beautifully illustrated paper, sent free to any address.)

CURES

CATARRH!

Why? because Inhalation is the only way that the Air Passages can be reached, and Catarrh is a disease of the Air Passages of the Head. Use this Treatment as directed, which is easy and pleasant, and we guarantee a perfect cure of Catarrh.

Bronchitis!

Why? for the same reason as given above. The Bronchial Tubes are simply conductors to carry air to the Lungs, hence Inhalation must go direct to the seat of the disease, and if you will follow our directions, we guarantee to cure Bronchitis.

ASTHMA!

Why? because Asthma is a contraction of the Bronchial Tubes, caused by inflammation and irritation of the mucous membrane lining the Bronchial Tubes. Use Oxygenated Air as we will direct and we will warrant a Cure. We have cured cases of 20 years standing.

CONSUMPTION

Can be cured. Why? because we have cured hundreds of cases, some of them being given over to die by all physicians of other schools of practice. Consumption is a disease of the Air passages and over two-thirds of the cases are caused by Catarrh. We guarantee a cure if you will come in season.

BLOOD DISEASES!

CANCERS

TUMORS!

CURED without cutting or drawing blood, with very little or no pain. Any person troubled with Cancer and Tumors will please write for testimonials &c., from patients cured. We warrant a perfect cure.

Caution!

There are unprincipled persons in Boston and elsewhere that are putting up a ROGUS LIQUID and trying to palm it off as My TREATMENT, or Oxygenated Air, and claiming it to be like mine. None genuine unless the words "DR. TOWNSEND'S OXYGENATED AIR" ARE BLOWN IN BOTTLE AND PORTRAIT ON LABEL.
