SOUTH CAROLINA NEWS.

Ninety-Six elected the wet ticket. Thirteen prisoners are confined in the Chester jail. Newberry is wild over the success of Hampton's mission. The Hampton contribution in Greenville footed up \$4,200. Chester will have a baby show in May. No bulldozing and no counting out allowed. Colonel Butler has organized a strong constabulary force in Darlington county. Colonel J. A. Law is chief.

A negro was severely wounded one night last week in Chester county while stealing corn from Mr. Torbit's corn-crib.

Chester Academy had a spelling bee last week. Miss Annie Elliott's side was successful—standing five to nothing on the other side.

The Duo West congregation visited the parsonage last week, carrying to their pastor some three hundred dollars' worth of valuables, as a mark of their esteem.

Charles Carr, a colored citizen of Kershaw, played a game of cards last week and then took a boat ride, was capsized and drowned. Moral. Don't take a boat ride after playing cards, if you can't swim.

The Anderson *Intelligencer* is responsible for the story that a colored man in that county worked all last Sunday under the belief that it was Saturday. Hard to swallow. We bet that darkey don't know that Hampton is governor.

Capt. A. J. Sitton, of the Pendleton Democratic club, introduced red shirts into the campaign last fall. To this happy thought may be attributed much of the enthusiasm which resulted in the triumph of the Democracy.

Numbers of negroes are coming over to the Democratic party in Abbeville county. They are joining the clubs right along, and are determined to forsake the treacherous leaders who have so sadly misled them for years.

Jack Burgoyne, the murderer of Mr. A. J. Gregg, was sentenced by Judge Townsend, at Marion, to be hanged on Friday, May 18th. Burgoyne scarcely seemed to realize his situation during the delivery of the Judge's impressive remarks, and betrayed no emotion even when the sentence of death was passed.

The faculty of the College of Charleston have conferred the degree of Doctor of Divinity upon the Rev. Charles S. Vedder and the Rev. Charles Cotesworth Pinckney. The degree of Master of Arts was at the same time conferred on Mr. Francis L. McHugh, of Charleston, a graduate of the College.

Mr. Thomas J. Childs, of Pickens, desires information, if any can be obtained, of his son Benjamin, aged eighteen years, who left home on Sunday morning the 18th ultimo without giving any one any information of his intention of leaving, or where he was going. Said boy is small for his age, rather black hair, black eyes and sallow complexion. Any one knowing anything concerning the whereabouts of the said boy will greatly oblige his distressed father by addressing him at Pickens Court House, S. C.

At the meeting of the Lutheran Synod in Newberry last week, the question of changing the location of the Lutheran College at Walhalla was agitated. Competition between different localities was lively, the bids offered being as follows: Columbia Schutzen Verein, \$8,000; Anderson, buildings valued at \$10,000, with stipulations and provisos; Lexington, \$5,000 subscription and 130,000 feet of lumber; Newberry, \$15,870 subscription and ground, or old College building and site, making a total of \$18,370; Prosperity, \$15,000; Walhalla, \$14,600. On the second ballot the prize was awarded to Newberry, by a unanimous rising vote.

Chamberlain has written a long letter to Hayes, protesting against

the removal of the troops from the State House. He concludes as follows:

To restate the results which will follow the withdrawal of the troops from the State House, I say:—

First—It will remove the protection absolutely necessary to enable the Republicans to assert and enforce their claim to the government of this State.

Second—It will enable the Democrats to remove all effective opposition to the illegal military forces under the control of my opponent.

Third—It will place all the agencies for maintaining the present lawful government of the State in the practical possession of the Democrats through the admission it will require.

Fourth—It will lead to the quick consummation of a political outrage against which I have felt and now feel it to be my solemn duty to struggle and protest so long as the faintest hope of success can be seen.

Wendell Phillips says that Hayes has undoubtedly sold out the Republican party, but that he will "soon hear a warning growl along the ground tier."

**VEGETINE**  
PURIFIES THE BLOOD,  
Renovates and Invigorates the Whole System.  
Its Medicinal Properties are Alterative, Tonic, Solvent and Diuretic.

VEGETINE is made exclusively from the juices of carefully selected barks, roots and herbs, and so strongly concentrated, that it will effectually eradicate from the system every taint of Scrofula, Scrofulous Humor, Tumors, Cancer, Cancerous Humor, Erysipelas, Salt Rheum, Syphilitic Diseases, Canker, Faintness at the Stomach, and all diseases that arise from impure blood. Scatious, Inflammatory and Chronic Rheumatism, Neuralgia, Gout and Spinal Complaints, can only be effectually cured through the blood. For Ulcers and Eruptive Diseases of the Skin, Pustules, Pimples, Blisters, Boils, Tetter, Scald-head and Ringworm, VEGETINE has never failed to effect a permanent cure. For Pains in the Back, Kidney Complaints, Dropsy, Female Weakness, Leucorrhoea, arising from internal ulceration, and uterine diseases, and General Debility VEGETINE acts directly upon the cause of these complaints. It invigorates and strengthens the whole system, acts upon the secretory organs, allays inflammation, cures rheumatism, regulates the bowels. For Catarrh, Dyspepsia, Habitual Costiveness, Palpitation of the Heart, Headache, Piles, Nervousness and General Prostration of the Nervous System, no medicine has given such perfect satisfaction as the VEGETINE. It purifies the blood, cleanses all the organs, and possesses a controlling power over the nervous system.

The remarkable cures effected by VEGETINE have induced many physicians and apothecaries whom we know to prescribe it to us in their own families. In fact VEGETINE is the best remedy yet discovered for the above diseases, and is the only reliable BLOOD PURIFIER yet placed before the public.

THE BEST EVIDENCE.

The following letter from Rev. E. S. Best, Pastor of the M. E. Church, Natick, Mass., will be read with interest by many physicians. Also, those suffering from the same disease as afflicted the son of the Rev. E. S. Best. No person can doubt this testimony, as there is no doubt about the curative powers of VEGETINE:

NATICK, Mass., Jan. 1, 1874.  
MR. H. R. STEVENS: Dear Sir—We have good reason for regarding your VEGETINE as a medicine of the greatest value. We feel assured that it has been the means of saving our son's life. He is now seventeen years of age; for the last two years he has suffered from necrosis of his leg, caused by a severe infection, and was so far reduced that nearly all who saw him thought his recovery impossible. A council of physicians could give us but the faintest hope of his ever getting well, two of the number declaring that he was beyond the reach of human medicine, that even amputation could not save him as he had not vigor enough to endure the operation. Just then we commenced giving him VEGETINE, and from that time to the present he has been continuously improving. He has lately resumed his studies, thrown away his crutches and cane, and walks about cheerfully and strong.

Though there is still some discharge from the opening where the limb was lacerated, we have the fullest confidence that in a little time he will be perfectly cured. He has taken about three dozen bottles of VEGETINE, but lately uses but little, as he declares that he is too well to be taking medicine.

Respectfully yours,  
E. S. BEST,  
MRS. L. C. F. BEST.

All Diseases of the Blood.  
If VEGETINE will relieve pain, cleanse and purify and cure such diseases, restoring the patient to perfect health after trying different physicians, many remedies, suffering for years, is it not conclusive proof, if you are a sufferer you can be cured? Why is this medicine performing such great cures? It works in the blood, in the circulating fluid. It can truly be called the GREAT BLOOD PURIFIER. The great source of diseases originates in the blood; and no medicine that does not act directly upon it, to purify and renovate, has any just claim upon public attention.

Recommend it Heartily.  
South Boston, Feb. 7, 1870.  
MR. STEVENS: Dear Sir—I have taken several bottles of your VEGETINE, and am convinced it is a valuable remedy for Dropsy, Kidney Complaint, and general debility of the system. I can heartily recommend it to all suffering from the above complaints. Yours respectfully,  
MRS. MONROE PARKER,  
89 1/2 Athens Street.
