No blush or stain upon his name
Deny it he who can!
Forfend it for him but one voice
"God was a knightly man"

The golden splendor of the past
Which faded legend tells
Through him is brought before our gaze
In living miracles.

He battled for his own, but when
Fate crushed the fabric down
She still, that she might bless the world,
Requented it his renown.

Hats off! Although no victor he,
The laurel he has won
Stands peer beside the proudest bays
The proudest brow upon.

Some Sound Advice from a Northern Source.

Too much advice is sometimes worse than none at all, and at this season of the year, the cotton planter has probably more friendly suggestions dinned into his ear than he can well digest.

The point at issue to the planter is not then, as to the next crop being four, five or six millions, but whether his financial position will warrant him in cultivating more land or not.

pendent farmer can plant with safety just as much as he has the capacity of cultivating, and his better judgment will invariably teach him to devote some of his land to the raising of wheat, oats, etc.

VEGETINE

PURIFIES THE BLOOD,
Renovates and Invigorates the Whole System.

Its Medicinal Properties are Alterative, Tonic, Solvent and Diuretic.

VEGETINE is made exclusively from the juices of our fruit and vegetable roots and herbs, and is strongly concentrated, that it will effectually eradicate from the system every taint of Scrofula, Scurvy, Humors, Tumors, Cancer, Cancerous Humors, Erysipelas, Salt Rheum, Syphilitic Diseases, Chancres, Ulcers, etc.

For Pains in the Back, Riddy, Complaints, Dropsy, Female Weakness, Leucorrhoea, arising from internal ulceration, and uterine diseases and General Debility.

For Catarrh, Dyspepsia, Habitual Constipation, Palpitation of the Heart, Headache, Piles, Nervousness and General Prostration of the Nervous System, no medicine has given such perfect satisfaction as the VEGETINE.

The remarkable cures effected by VEGETINE have induced many physicians and apothecaries whom we know to prescribe and use it in their own families.

THE BEST EVIDENCE.

The following letter from Rev. E. S. East of the M. E. Church, Natick, Mass., will be read with interest by many physicians. Also, those suffering from the same disease as afflicted the son of the Rev. E. S. East.

Mr. H. R. Stevens: Dear Sir—We have good reason for regarding your VEGETINE a medicine of the greatest value. We feel assured that it has been the means of saving our son's life.

He has taken about three dozen bottles of VEGETINE, but lately uses but little as he declares that he is too well to be taking medicine.

All Diseases of the Blood.

If VEGETINE will relieve pain, cleanse, purify and cure such diseases, restoring the patient to perfect health after trying different physicians, many remedies, suffering for years, is it not conclusive proof, if you are a sufferer you can be cured?

Recommend it Heartily.

Mr. Stevens: Dear Sir—I have taken several bottles of your VEGETINE, and am convinced it is a valuable remedy for Dyspepsia, Kidney Complaint, and general debility of the system.

SPRING GOODS

—FOR—

1877.

To-day the campaign's fairly closed,
The lucky man is he
Who takes his seat on the 4th of March
Our President he'll be.

My friends and I went out one day,
Some New Spring Goods to buy;
And we resolved, before we went,
The different stores to try.

Of Hats, Clothing and Boots and Shoes,
The latest to our view—
The very best styles of Dress Goods,
And Prints so cheap and new.

So then, my good friends, one and all,
Now is your time to try
What bargains you can get of me—
Or, you need not buy of SOL.

U. S. MAIL!

All Persons at a distance treated by Mail with Perfect Success by describing their Symptoms.

Dr. Townsend showing manner of inhaling OXYGENATED AIR!

Why? because Inhalation is the only way that the Air Passages can be reached, and Catarrh is a disease of the Air Passages of the Head. Use this Treatment as directed, which is easy and pleasant, and we guarantee a perfect cure of Catarrh.

Why? for the same reason as given above. The Bronchial Tubes are simply conductors to carry air to the Lungs, and a Inhalation must go direct to the seat of the disease, and if you will follow our directions, we guarantee to CURE Bronchitis.

Why? because Asthma is a contraction of the Bronchial Tubes, caused by inflammation and irritation of the mucous membrane lining the Bronchial Tubes. Use Oxygenated Air as we will direct, and we will warrant a Cure. We have cured cases of 20 years standing.

Can be cured. Why? because we have cured hundreds of cases, some of them being given over to die by all physicians of other schools of practice. Consumption is a disease of the Air passages and never two thirds of the cases are caused by Catarrh. We guarantee a cure if you will come in season.

CURED without cutting or drawing blood, with very little or no pain. Any person troubled with Cancer and Tumors will please write for testimonials &c., from patients cured. We warrant a perfect cure.

Address all letters as heretofore, E. F. TOWNSEND, M. D., 122 High Street, Providence, R. I.

Physicians wishing to locate in some town or city in this business, can be furnished with territory and our illustrated papers for advertising the same, by addressing as above.

There are unprincipled persons in Boston and elsewhere that are putting up a ROGUE'S LIQUID and trying to palm it off as Dr. Townsend's Oxygenated Air, and claiming it to be like mine. None genuine unless the words "DR. TOWNSEND'S OXYGENATED AIR" ARE BLOWN IN BOTTLE AND PORTRAIT ON LABEL.
