The Winnsboro News and Herald is one of the sprightliest tri weeks lies now upon our lists .- Augusta Chronicle und Constitutionalist.

The suggestion made by our correspondent 'Citizen" concerning the price of licenses to sell meat in the market is quite sensible. While we see no objection to the reduction made in the price of liquor licenses, we are equally in favor of giving the butchers and their patrons an equal chance.

We are requested to state that a meeting will be held at the Town Hall this evening at eight o'clock, for the purpose of organizing a military company. All those who have heretofore put their names on the list, together with others who may desire to join, are requested to be present.

The people of Columbia are making active preparations for a grand inauguration ball to be given in honor of Governor Hampton on-the evening of the 4th of May. This is well. The days of tribulation are over, and once more the people of South Carolina can unite, with light consideration, \$160. hearts, in festive gatherings and merry makings.

A LIEUTENANT SURRENDERS.-Gleaves, the former lieutenant-governor under Chamberlain, sent a messenger to Colonel Sims, secretary of State, yesterday, informing that officer of his intention and desire to surrender the papers, paraphernalia, &c., of the office of lieutenant governor of the State. Lieutenant Governor Simpson has been informed of Gleaves' wish.

PROCEEDINGS OF COUNCIL.-We would suggest to the new town council the propriety of publishing the proceedings of their meetings. The columns of THE NEWS AND HER-ALD are always open for such matter, and if the clerk of council will furnish us a synopsis of the proceedings of each meeting, we shall be glad to publish it.

We are informed, from outside sources, that several new measures were enacted at the last meeting, and, as a matter of public interest, would be glad to publish what was then done, it is also allers in

THE STATE OFFICES .- A Columbia telegram to the Journal of Commerce, dated April 18, says :

The rooms of the treasurer, comptroller-general, secretary of state attorney-general, superintendent of education and adjutant and inspector general, were all scaled, by order of the governor, at an early hour this morning.

The barrier consists of a small piece of red braid with a seal im pressed upon wax at each end, attached to the door and the door facing. A sentinel is posted at the ontrance of each of the blockaded D. M. Mc. departments to prevent any tamper ing with the seals or the front appliance which is the emblem of law.

At the custimory hour this morning the Republican claimants put in an appearance, and were proceeding to their several offices, when they were met by the special guard of the Governor at the doors, and denied S. W. Ruff, sheriff, to J. G. Hawadmittance. Several of them were thorne, 150 acres in township no. disposed to demur at the movement 9; consideration, \$495.
