#### Notice—Ladd Bros.

Sheriff's Sale—S. W. Ruff, S. F. C.  
Something New—Connor & Chandler.

Remember the Firemen's Calico Hop to-night. All firemen are requested to appear in uniform.

We were mistaken in our statement that Joe Starke, the thief who entered Mr. Elder's store, was unhurt by the gun set for robbers. He received the lead just above the hip, two buckshot entering, and running around the body and lodging in his back. But for his position with reference to the gun, he must have been killed. The shot entered obliquely instead of from the front, and thus ran round his body instead of going right in. The shot were extracted by Dr. Robertson on Saturday, and the prisoner is now doing well. But had he been killed he would not have got his just deserts, and few people would have been sorry. We only hope he will suffer the extreme penalty of our far too humane law.

**THE INTERCHANGE OF CIRCUITS.**—In accordance with the act of the Legislature providing for an interchange of circuits by the circuit judges, Chief Justice Willard has made the following assignments for holding the circuit courts next fall:

- 1st circuit—by the judge of the 8th circuit.
- 2d circuit—by the judge of the 1st circuit.
- 3d circuit—by the judge of the 2d circuit.
- 4th circuit—by the judge of the 3d circuit.
- 5th circuit—by the judge of the 4th circuit.
- 6th circuit—by the judge of the 5th circuit.
- 7th circuit—by the judge of the 6th circuit.
- 8th circuit—by the judge of the 7th circuit.

It will thus be seen that Judge Kerslaw will hold the courts of this circuit next fall.

**VANDALISM.**—Under this head the Register of Sunday gives the following:

We are unable to do so in this morning's issue, but will on Tuesday give a full account of the doings of the gang of young ebony-colored devils who have been disgracing the halls of the University of South Carolina, at the expense of the State, for the past year. Yesterday was the last day of the session and the hopeful cusses vented their anger upon the old institution by tearing down the doors, defacing walls, breaking windows and committing other wanton destruction of property. Although there was a marshall (so-called) of the University on the ground, he seems to have been powerless to prevent it, or was indifferent as to what the scoundrels did. Governor Hampton was notified of their capers last night, and before leaving for the North ordered a guard to be put over the building. It is estimated that several thousand dollars damage has been done.

Some suspicious-looking negroes were strolling about the streets on Saturday night, and were followed by Policeman Gilbert and a gentleman in company with him. The negroes would shake different store doors, with the apparent intention of entering if they could. At last they stopped at a store and pulled at the iron bar across the window shutter, and when the policeman hailed them they broke and run. We have not learned the names of the parties. The frequency of such acts renders it necessary that the police and the citizens generally be on the alert for thieves. Robbery is becoming too common. It must stop. The law punishing burglary with death should be revived and should be vigorously enforced.

## To the Citizens of Fairfield County.

I announce myself as a candidate for the office of Clerk of the Court for Fairfield county. The following are my reasons for seeking the office: I have a large family to support, and children to educate by my own efforts. I lost an arm in the service of my country, and the office would at least be a great help to a man in my situation. So if no other man offers, whose claims are better, and you will elect me I promise to fill the office honestly, and to the best of my ability.

NOW is the season when the Liver becomes torpid, refuses to do its share of work, and causes distress to the human system. Take Simmons' Hepatic Compound or Liver Cure and all will be well. The old adage, "Prevention is Better than Cure," cannot be more practically illustrated than now when the sickness usual at this season can be prevented by the use of SIMMONS' HEPATIC COMPOUND, which, by removing the bile, cleansing the stomach and bowels and purifying the blood, enables the system to reject malarial poisons and gives tone and strength to the whole body. SIMMONS' HEPATIC COMPOUND is all Vegetable, perfectly harmless and wonderfully effective; can be used at all times and at all ages, and does not interfere with one's daily pursuits, but on the contrary, enables us to pursue them with renewed vigor. It is simpler, better and cheaper than any similar preparation ever offered. For sale by
