VEGETINE

Strikes at the root of disease by purifying the blood, restoring the liver and kidneys to healthy action, invigorating the nervous system.

VEGETINE

Is not a vile, nauseous compound which simply purges the bowels, but a safe, pleasant remedy, which is sure to purify the blood, and thereby restore the health.

VEGETINE

Is now prescribed in cases of Scrofula and other diseases of the blood, by many of the best physicians, owing to its great success in curing all diseases of this nature.

VEGETINE

Does not deceive invalids into false hopes by purging and creating a fictitious appetite, but assists nature in clearing and purifying the whole system, leading the patient gradually to perfect health.

VEGETINE

Was looked upon as an experiment for some time by some of our best physicians, but those most invidious in regard to its merit are now its most ardent friends and supporters.

VEGETINE

Instead of being a puffed-up medicine, has worked its way up to its present astonishing success by actual merit in curing all diseases of the blood, of whatever nature.

VEGETINE

Says a Boston physician, "Has no equal as a blood purifier. Hearing of its many wonderful cures, after all other remedies had failed, I visited the laboratory, and convinced myself of its genuine merit. It is prepared from barks, roots, and herbs, each of which is highly effective; and they are compounded in such a manner as to produce astonishing results."

VEGETINE

Is acknowledged and recommended by physicians and apothecaries to be the best purifier and cleanser of the blood yet discovered, and thousands speak in its praise who have been restored to health.

PROOF.

WHAT IS NEEDED.

Boston, Feb. 13, 1871.

Mr. H. R. STEVENS: DEAR SIR:—About one year since, I found myself in a feeble condition from general debility. VEGETINE was strongly recommended to me by a friend who had been much benefited by its use. I procured the article, and after using several bottles was restored to health, and discontinued its use. I feel quite confident that there is no medicine superior to it for these complaints for which it is especially prepared, and would cheerfully recommend it to those who feel that they need something to restore them to perfect health. Respectfully yours, U. L. PETTINGILL, Firm of S. M. Pettigill & Co., 10 State St. Boston.

I HAVE FOUND

THE RIGHT MEDICINE.

BOSTON MASS.

Mr. H. R. STEVENS: DEAR SIR:—My only object in giving you this testimonial is to spread valuable information. Having been badly afflicted with Salt Rheum, and the whole surface of my skin being covered with pimples and eruptions, many of which caused me great annoyance, and knowing it to be a blood disease, I took many of the advertised blood preparations, among which was any quantity of Sarsaparilla, without obtaining any benefit until I commenced taking the VEGETINE; and before I had completed the first bottle I saw that I had got the right medicine. Consequently I followed on with it until I had taken seven bottles, when I was pronounced a well man; and my skin is smooth, and entirely free from pimples and eruptions. I have never enjoyed so good health before, and attribute it all to the use of VEGETINE. To benefit those afflicted with the Rheumatism, I will make mention also of the VEGETINE'S wonderful power of curing me of this acute complaint, of which I have suffered so intensely. C. H. TUCKER, Pass. Agt Mich. C. R. R., 69 Wash. St., Boston.
