Tax Returns—I. N. Withers.  
Hardware, &c.—J. E. Adger & Co.

The crops are improving. Rain is needed.

Some of the Radical leaders are said to be making desperate efforts to reorganize their party.

The Methodist Conference meets on Wednesday the 8th, the services opening at the Methodist church at 8, p. m.

Monday was sales day. The sheriff sold one small tract of land and some personalty. There was not much of a crowd in town.

General Bratton and Major Woodward left on Sunday night for Anderson. A delegation will attend from White Oak Grango. The meeting will be large and interesting.

We give, in this issue, an admirable article on the fence law, from one who has thoroughly proved its workings. The apprehensions existing in the minds of some that a change will work harm, we believe to be entirely without foundation. Everywhere that the change has been tried, it has been most satisfactory.

**Rr. Rev. Bishop Howe.**—This distinguished prelate, now on his annual visit to this parish, accompanied by the Rev. Mr. Stringfellow, assistant rector of Trinity church, Columbia, arrived here yesterday. Divine service in the Episcopal church this morning at 11 o'clock, and this evening at 8 o'clock. Mr. Stringfellow preaching in the morning, and the Bishop at night.

**THE HARDWARE TRADE.**—We call the attention of our merchants to the advertisement of Messrs. J. E. Adger & Co., of Charleston. This house is so well and widely known, that it is scarcely necessary for us to say anything in its favor. It is well to note, however, that they have recently added largely to their facilities, and are now more than ever able to meet all the wants of the trade. We bespeak for them a liberal share of patronage.

**Mr. E. R. Paulling,** living on Mr. W. M. Young's place, near Fenesterville, lost three children last week from diphtheria—two of whom were buried in one coffin. The remaining four children, and Mr. Paulling and his wife, were all sick of the same disease at last accounts. The disease first appeared in the foot of one of the children. Dr. McLurkin pronounces it the most virulent he has ever seen. The disease has not spread yet in the neighborhood. The neighbors have shown great kindness to this afflicted family in their misfortune.

A match game of base ball was played on Friday last between the first nine of the Chicora Club, of Jackson's Creek, and the Nameless Nine, of Winnsboro. The game resulted in a victory for the Chicoras, the score standing thirty-four runs for them, to seven for their opponents. We regret that it was impossible for THE NEWS AND HERALD to have a representative on the ground, and we can therefore give no satisfactory account of the game. A number of ladies and gentlemen went from town, and they enjoyed the trip greatly. Another match will be played between the same nines on the College green on Wednesday afternoon, when there will be much closer playing.

The Liberia fever has broken out in Fairfield. At Ridgeway, on Saturday, about fifty colored persons assembled in the school house and discussed the situation. They are anxious to make the change.

Jack James is the leading spirit. We have this advice to offer the colored people. If they want to go to Liberia let them save their money and when they get enough, pay their own passage money in ships already engaged in the business. If they go to contributing money to buy a ship, ten chances to one they will never hear of it again. The ship will be forthcoming about the time the forty acres and a mule are seen, and not before. Don't spend your money that way. Keep it and buy your tickets when you are ready to go.

## SPECIAL NOTICES.

### Do You Want Health?

Why Will Ye Die?—Death, or what is worse, is the inevitable result of continued suppression of the menstrual flow. It is a condition which should not be trifled with. Immediate relief is the only safeguard against constitutional ruin. In all cases of suppression, suspension or other irregularity of "courses," Dr. J. Bradford's Female Regulator is the only sure remedy. It acts by giving tone to the nervous centres, improving all the blood and determining directly to the organs of menstruation. It is a legitimate prescription, and the most intelligent Doctors use it. Prepared by J. Bradford, Atlanta, Ga., \$1.50 per bottle, and for sale by Dr. W. E. AIKEN, July 31-2w
