A few years ago it was discovered to be a certain cure for Dyspepsia and Liver complaint. Dyspepsia made known to their friends how easily and quickly they had been cured by its use. The great merits of Simmons' Hepatic Compound became heralded through the country by one sufferer to another, until without advertising, its sale has become immense. Druggists in every town in the United States are selling it. No person suffering with sour stomach, indigestion, costiveness, palpitation of the heart, indigestion, low spirits, etc., can take two doses without relief, and one if often enough.

TUTT'S PILLS

A distinguished physician of New York says: "It is astonishing how universally Dr. Tutt's Pills are used. In my daily rounds, I hear of them not only among the poor, but their virtues are heralded from the mansions of the wealthy and refined. Knowing the inventor from his long connection with the medical profession, I have great confidence in their merits, and of late have often prescribed them with the happiest results in cases where I desired to make a decided impression on the liver."

LOUISVILLE, KY., Aug. 3, 1875.
DR. TUTT :—Dear Sir : For ten years I have been a martyr to dyspepsia, constipation, and piles, and had well nigh exhausted the materia medica for relief from this living death, when, by accident, your Pills were brought to my notice. I began their use, and the first dose gave me such relief that I continued to take them. I am now a well man, have a good appetite, can digest well, the piles have disappeared, and I have gained forty pounds in solid flesh. I would not be without them for their weight in gold.
Rev. R. L. SIMPSON.

They are perfectly harmless, can be taken by young or old without restraint of diet or occupation.
