Due West Female College—J. I. Bonner, President.

Capt. H. A. Gaillard is still in attendance on the meeting of the Judiciary committee in Greenville. The whole trial justice system is under revision, and the committee are drafting a new bill to present to the Legislature next winter.

The Radical Executive Committee met in Winnsboro on Monday. The proceedings were secret, but it is believed to have had reference to the ensuing election, and to the appointment of a permanent county chairman. The Radicals are on the *qui vive*. WATCH THEM!

TOWNSHIP MEETING.—We urge upon all the enrolled members of the Democratic Club of this township to attend the meeting called for this evening. Matters of the utmost importance will be brought forward, and every member should be present. General Bratton, our County Chairman, has accepted an invitation to be present and address the Club. Let there be a full turnout of all true Democrats.

THE RIDGEWAY CLUB ADOPT RESOLUTIONS.—A meeting of the Ridgeway Democratic Club was held on the 18th, over thirty members being present. It was the largest meeting held since the election. Resolutions pledging support to the Democratic ticket were passed with but one dissenting vote. The resolutions were ordered to be published in THE NEWS AND HERALD, but they have not yet reached us.

A dramatic entertainment will be given at Ridgeway, on the evening of the 23rd instant, in aid of the Hampton Rifle Guard. It will be the last of the season. The previous entertainment was a great success, and no efforts have been spared to make the coming one equal to it in every respect. An opportunity will be given to those who were disappointed on the last occasion to visit Ridgeway on Thursday.

A Question.
Messrs. Editors:
What has become of that old Straightout, dyed-in-the-wool, never-to-be-rubbed-out Democrat, M. I. Brown? We would like to know if he deals out Democratic hash at his hotel, as we of the Dark Corner like none other. Let us hear from you.
D. R. FEASTER.
[Mr. Brown is of age. Let him speak for himself. Eds.]

The Blue and the Gray.
FREMONT, OHIO, August 18.—The Executive Committee of Soldiers of the National Reunion announce their next meeting for Marietta, Ohio, September 4th, 5th, 6th and 7th. Cannon, ammunition, arms, tents, and two hundred stands of regimental colors, provided for by acts of Congress, and of the Ohio Legislature, are already on the ground. A number of distinguished generals, among whom are Generals Cockerell and Joe Johnston, and Generals Sheridan and Crook, are to be there, and it is expected the President will also attend. The governor of the State and his staff will be present, and Governor Young will formally open the camp. All soldiers of both armies are invited, and no partisan political speeches will be tolerated. Every State will be represented by ex-soldiers of the Union and Confederate armies.

The First Virginia Regiment, under Gen. Bradley T. Johnson, is summering at the Greenbrier White.

An Important Legal Question.

When the Central Railroad depot at Savannah, Georgia, was destroyed by fire last November, large quantities of cotton and other valuable freight were consumed with the building. Damages were paid to all the owners of the cotton except those who had their property covered by insurance. The insurance companies promptly paid the amounts of their policies, but made a demand on the railroad officials for a reimbursement of the money. This was met by a refusal, and several suits have been instituted by the insurance people against the Central Railroad Company of Georgia to enforce indemnification. The North America Insurance Company of Philadelphia, is one of the companies in question. It has paid losses on cotton consumed by fire to the amount of \$12,000, for the recovery of which three suits have been brought in the United States Court at Savannah. The railroad contends that it is only liable for losses over its road when there is no insurance, and that in case of insurance the loss must fall on the insurance companies which have been paid for undertaking the risk. On the other hand it is claimed that the liability of railroads is not decreased where the loss of parties forwarding freight has been covered by insurance; but that in all cases the railroads must be the final losers and can be compelled to pay damages for freights destroyed while in their possession. This legal view, it is asserted, has been confirmed by several State and Supreme Courts and by the United States Courts.

SENATOR DAVID DAVIS has not cancer on the stomach, as reported, because no cancer yet invented could fill this bill. But the Senator is known to have Presidency on the brain, and to have it seriously.

SPECIAL NOTICES.

Boon to Suffering Females.

LaGrange, Ga., March 29, 1870.

Bradfield & Co., Atlanta, Ga.—Dear Sirs: I take pleasure in stating that I have used for the last twenty years the medicine you are putting up, known as Dr. BRADFIELD'S FEMALE REGULATOR, and consider it the best combination ever gotten together for the diseases for which it is recommended. I have been familiar with the preparation both as a practitioner of medicine and in domestic practice, and can honestly say that I consider it a boon to suffering females, and can but hope that every lady in our land, who may be suffering in any way peculiar to their sex, may be able to procure a bottle, and their sufferings may not only be relieved, but they may be restored to health and strength.

With my kindest regards,
I am, respectfully,
W. B. FERREL, M. D.

COLUMBIA HOTEL.

CHANGE IN PROPRIETORSHIP.

THE undersigned have leased this old established and well known HOTEL, which is, *par excellence*, the only properly constructed hotel in the city of Columbia, being commodious, airy, well lighted and ventilated, and is far ahead of any other hotel or boarding house in this city. It will be the aim of the proprietors to make the COLUMBIA HOTEL deservedly popular, by keeping a table whereon can be found all the substantial and delicacies of the season. SUPERIOR TO ALL AND INFERIOR TO NONE. Our object will be to have the Columbia Hotel well filled with guests, and to accomplish this desired end we will compete with the boarding-houses of the city as to price, while we shall, as to fare, attention and accommodation, surpass them all.

TRANSIENT BOARDERS \$2.00 PER DAY.

Board by the week or month at proportionate rates. While our prices are reduced, our guests may be assured that in no manner shall our table be lacking in the good things to comfort the inner man. Our object is by doing a large business and keeping a well filled Hotel at a reasonable price, which the public can afford to pay, that what we lose in price will be made up by an increased business. Our BAR will contain the purest and choicest LIQUORS, with polite attendants to meet the wants of thirsty souls who desire to be accommodated with good liquors, mixed to suit the wants of the most fastidious. In a word, we want the travelling public to give us a trial, being assured that those who stop with us will call again, and advise all their friends to do so likewise.
