The Equalization Board has raised a number of returns.

The cistern at the lower end of town, which has been for some time undergoing repairs, is nearly finished.

The Equinoctial has been upon us, bringing drenching rains and cold weather.

Joe Milligan, a colored boy in the employ of Mr. G. W. Crawford, had two fingers of his right hand cut off by a cutting machine on Thursday.

Mr. Jno. C. Squier, well known as an affable and efficient salesman, has returned to Winnsboro, and may be found at the dry goods establishment of B. Sugenhimer & Co.

There are now seven prisoners in the county jail, to be tried at the October term of court. The offences are as follows: One for malicious mischief, two for burglary and larceny, three for assault and battery, and one for rape.

Capt. H. A. Gaillard has been for some time in Columbia, in attendance on the committee to investigate the penal and charitable institutions. Considerable cleansing is required.

In Ridgeway is to be seen an oak tree recently struck by lightning, the bolt having struck it about eight feet from the ground, passing completely through it, and leaving a mark as if a cannon ball had pierced it.

It is claimed that a mineral spring of remarkable curative properties has been discovered in the western portion of the county. Mr. Powell brought some of the water to town. It has not been analyzed; but it tastes badly enough to be mineral.

A reader of THE NEWS AND HERALD wishes to obtain information concerning German Millet. He wishes to know what soil is required, how it is prepared, how the planting is done, what should be the average yield in hay and seed for an acre, and whether the crop exhausts the soil more than other crops. Cannot some one who has tried the millet furnish us with the required information?

The county commissioners should see that the road laws are strictly enforced. The prosperity of the county depends largely on the

facilities for bringing produce to market. A small amount of work at this time, in repairing ditches, &c. will save a great deal. There are several points on the road between Ridgeway and Winnsboro, notably one just above Simpson's, where mending is needed.
