CLEANS the bowels without violence or pain; tones the stomach, regulates the flow of bile, promotes healthy perspiration, relieves the system from unwholesome humors, tranquilizes the nerves, acts upon the blood as a depurative, and forms one of the most certain LIVER REGULATORS known. What is MORE DISTRESSING THAN A BILIOUS ATTACK? Who is not more familiar with the well-known symptoms? Oppression across the stomach and chest, low spirits, restlessness, gloominess of mind, weakness, dull headache, dirty, greasy appearance of the skin, yellow tinge of the whites of the eyes, loss of appetite, and costiveness. Few indeed, of the more ordinary ills of life are more widely prevalent than the bilious disorders, and yet they may readily be got rid of by using Simmons' Hepatic Compound.

Sarsaparilla

For Scrofula, and all scrofulous diseases, Erysipelas, Rose or St. Anthony's Fire, Eruptions and Eruptive diseases of the skin, Ulcerations of the Liver, Stomach, Kidneys, Lungs, Pimples, Pustules, Boils, Blisters, Tumors, Tetter, Salt Rheum, Scald Head, Ringworm, Ulcers, Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhoea, arising from internal ulceration, and uterine disease, Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood.

This Sarsaparilla is a combination of vegetable alteratives—Stillingia, Mandrake, Yellow Dock—with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known for the diseases it is intended to cure.

Its ingredients are so skillfully combined that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease.

The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it proves their experience of its usefulness.

Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known that we need do no more than to assure the public that the best qualities it has ever possessed are strictly maintained.
