The following are the prices of cotton for the past two days: Thursday, 10½; Friday, 10½.

The Librarian Exodus meeting will be held here to-day. It is rumored that ex-Governor Chamberlain will speak.

The Mount Zion Society held an important and interesting meeting yesterday. Matters of great importance to the Institute were discussed.

We have in our possession a Masonic pin of gold, handed to us by a gentleman who found it in the country. The owner can procure the same by applying at the law-office of Gaillard & Reynolds, and proving property.

Services, preparatory to the sacrament of the Lord's Supper tomorrow, will be held in the Associate Reformed church to-day at the usual hours—11, a. m., and 7½ p. m. The Rev. Robt. Lathan, of Yorkville, will preach.

Cannot our friends in different portions of the county keep us posted on the sayings and doings of their respective neighborhoods? It is not our desire to give any locality the go-by, but we cannot help ourselves. Any matters of interest will be most thankfully received.

A large number of reserved seats for the entertainment at Thespian Hall to-night have already been sold, and the audience will doubtless be a very large one. Sol Smith Russell wins new laurels wherever he goes, and the quartette now accompanying him has its praises sounded on all sides. Of course there will be a full house to-night.

DENTAL NOTICE.—Dr. Isaiah Simpson, Surgeon Dentist, Charlotte, N. C., respectfully informs the citizens and public generally that he will visit Winnsboro, S. C., professionally, on the 24th day of September, and remain ten or fifteen days. Call early and save confusion at the last. Teeth extracted without pain. Terms Cash. Satisfaction guaranteed. 3w*

SUNDAY SCHOOL PICNIC.—The picnic of the children of the Presbyterian Sunday School on Friday was in every way a pleasant affair. The children were out in full force, and a goodly number of grown-up people were also in attendance. The children amused themselves by swinging, playing and walking about the grove. The dinner was a very fine one, and was of course greatly enjoyed. The Cornet Band was present for a while, and discoursed some of the usual fine music. In the evening, after the picnic proper, there was a game of base ball near the grove, between the Athletics and the Carolinas. The result was a victory for the Athletics, by a score of 9 to 0.

Mr. James M. Stewart has accepted a position as assistant in the Columbia Male Academy, of which Capt. H. S. Thompson, State Superintendent of Education, is principal. This academy is in a most flourishing condition, and is fully on a par with any similar institution in the South. Mr. Stewart will be quite an acquisition. He is a gentleman of talent, and has experience in teaching. He was a cadet of high standing in

the State Military Academy at the time of the surrender, and in 1867 graduated with distinction in the South Carolina University. Subsequently he prosecuted his studies, in Columbia College, New York, and in the University of Virginia. As a teacher in Mount Zion College he gave great satisfaction. Regretting to lose him from Fairfield, we wish him success in his new field.

MILITARY ORGANIZATION.—A military company has been formed at Monticello, now numbering ninety-one, rank and file, and officered as follows:

Captain—Jno. B. Davis.
First Lieutenant—C. B. Blair.
Second Lieutenant—J. R. McGill.
Third Lieutenant—A. E. Davis.
Sergeants—Jno. W. Lyles, J. C. Bell, W. H. McGill, T. E. Boll, W. J. Martin.
Corporals—W. F. Aiken, W. T. Rabb, J. M. Owings, J. Q. Robertson.

HAMPTON RIFLE GUARD.—This company celebrated its first anniversary on Thursday last. There were over forty men in ranks. The men wore black cloth suits, and with their breach-loading rifles, new accoutrements, and campaign colors flying, presented a very handsome appearance. Formed in town, the corps marched in columns of fours to the beautiful spring on the land of Dr. Jno. D. Palmer, there to engage in target practice. The target was twenty-four inches in circumference. Each man was allowed three shots. The judges were Cols. H. C. Davis, B. E. Elkin and R. G. Lamar. They awarded the first prize to Capt. R. S. Desportes, and the second to Lieut. A. F. Ruff—the latter being for the worst shot on the board. The judges, in making their report, mentioned that Mr. L. A. Walker made the best single shot. A heavy rain came on during the shooting, and the ladies were obliged to leave the ground and take shelter in the cotton-shed at Ridgeway. After the firing, the company marched to the cotton-shed, and the prizes were presented by Colonel Davis in a graceful and appropriate speech. The company was then invited to a handsome collation prepared by the ladies. The day closed with a "hop" at Masonic Hall, which was largely attended and universally enjoyed. Thus ended the first birth-day of the Hampton Rifle Guard. May they have many happy returns!

WOMAN'S RIGHTS.—One who has long studied this absorbing subject now presents to the women of our country the result of his investigations. He is happy to say that he has at last discovered "Woman's Best Friend." It is adapted especially to those cases where the womb is disordered, and will cure any irregularity of the "menses." Dr. J. Bradfield's Female Regulator acts like a charm in "whites," or in a sudden check of the "monthly menses," from cold, trouble of mind or like causes, by restoring the discharge in every instance. So also in chronic cases its action is prompt and decisive, and saves the constitution from countless evils and premature decay. This valuable preparation is for sale at \$1.50 per bottle by Dr. W. E. Aiken, Prepared and sold by J. Bradfield, Atlanta, Ga. A thousand women testify to its merits. sept 25-2w

"THE ASSON HARDY CUTTING MACHINES are the best and cheapest low priced machine made, and have a national reputation for utility and durability."—The *Electrotypist, Chicago.*

THE ASSON HARDY PAPER CUTTER is by far the best machine which can be obtained for a less price than one hundred dollars. It is of great strength. These machines have always taken the highest stand. It is the only machine to which is applied the Patent Movable Cutting Board. This device has a reputation of itself; by it, the cutting board can be instantly and accurately moved, so that a perfect cut is insured. This is a very important point in the machine, and one that is possessed by no other. It greatly reduces the labor of preparation in working the paper backward and forward. We cannot too strongly recommend the advantages of this patent movable board. It is worth the price of this machine, and purchasers should fully understand how highly it is to be valued."—Geo. P. Bourd & Co.'s Newspaper Reporter and Printer's Gazette.

THE LATEST IMPROVED HARDY CARD CUTTER is pronounced the most desirable Card Cutter in the market, for the general uses of a printing office.

The well known RUGGLES CARD CUTTER, with my latest improvements, is still preferred by many printers, and holds its favoritism over other machines.

None genuine but those having my full address lettered in the casting.

Newspapers in want of advertising from first parties should send for my circular.
