Ayer's Cathartic Pills,

For all the purposes of a Family Physic; and for curing Constipeness, Jaundice, Indigestion, Foul Stomach, Brouth, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Biliousness, Dropsy, Tumors, Worms, Neuralgia; as a Dinner Pill, for purifying the Blood. Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health. AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness. Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these PILLS may be taken with safety by anybody. Their sugar-coating preserves them ever fresh and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.

PREPARED BY Dr. J. C. AYER & CO., Lowell, Mass., Practical and Analytical Chemists. SOLD BY ALL DRUGGISTS EVERYWHERE.

SIMMONS' LIVER HEPATIC CURE. COMPOUND

CLEANS the bowels without violence or pain; tones the stomach, regulates the flow of bile, promotes healthy perspiration, relieves the system from unwholesome humors, tranquilizes the nerves, acts upon the blood as a depuriant, and forms one of the most certain LIVER REGULATORS known.

WHAT IS MORE DISTRESSING THAN A BILIOUS ATTACK? Who is not more familiar with the well-known symptoms? Oppression across the stomach and chest, low spirits, restlessness, gloominess of mind, weakness, dull headache, dirty, greasy appearance of the skin, yellow tinge of the whites of the eyes, loss of appetite, and costiveness. Few indeed, of the more ordinary ills of life are more widely prevalent than the bilious disorders, and yet they may readily be got rid of by using Simmon's Hepatic Compound.
