New Fall and Winter Goods—McMaster & Brice.
Sheriff's Sale—S. W. Ruff, S. F. C. Building and Loan Association—D. R. Fleniken, Secy. and Treas.

Mr. Wyatt M. Propst is authorized to collect, and receipt for, any moneys due THE NEWS AND HERALD.

The Liberia fever is raging, and is especially fatal to corn, hogs, chickens, potatoes, etc. But it has as yet carried off no darkeys.

The following are the prices of cotton for the past two days: Thursday, 10 1/2; Friday, 10 1/4.

Read the advertisement of McMaster & Brice. They are now offering a new and large stock of fall and winter goods, and invite an inspection.

"Our House," the popular restaurant kept by Mr. Jno. D. McCarty, will be opened for the season to-day. Fresh oysters, prepared in every style, may be had on Saturday.

The card of George T. Dillard, published elsewhere, explains itself. It will be seen that he denies the authority of any person to use his name in connection with the position of assistant secretary of the "Liberian Exodus Association." He likewise expresses his views on the Liberian movement.

The Histrionic Club propose giving a dramatic entertainment during court week this month. The play will be carefully selected, and the performance will be second to none yet given. Refreshments, suited to the season, will also be served during the entertainment. The proceeds will be devoted to Mount Zion Institute. Further particulars will be given later.

We shall to-day present to each subscriber to the tri-weekly NEWS AND HERALD a bill for the subscription now due. It will be remembered that our terms, like those of all other newspapers, are cash in advance, and that in many cases the subscription money is long since due. We trust our calls will be met promptly. The sum asked of each subscriber is very small, while the aggregate is, to us, a very considerable item. We have refrained from anything like *dunning*, and we hope each subscriber will pay promptly when called upon to-day.

CHANGE OF SCHEDULE.—We are informed that there will soon be a change of schedule on the day trains on the C. C. & A. R. R. The present "accommodation" train will be discontinued, and the Company will run a regular passenger and a regular freight train in the daytime. This will be a very great improvement, and we trust the change will be made at once. The present plan of carrying passengers on freight trains is a bad one in many ways, being attended with numberless annoyances to travelers. These annoyances must of course increase as the heavy winter business in freights sets in. We are glad, therefore, to know that it is proposed to have a regular passenger train for those who wish to travel in the daytime.

MONTICELLO ITEMS.—There was a "Union Meeting" at Long Run Baptist Church on the 28th, 29th and 30th ult.—two ministers officiating. Several addresses were delivered before the Sunday School children. The Sunday School is in a flourishing condition.

There will be religious services at Monticello church (Methodist) to-day and to-morrow. The Rev. W. W. Duncan, of Wofford College, will officiate.

The Monticello Rifles have completed their organization, and the officers have received their commissions. The roll now numbers over one hundred men, rank and file.

The base ball club is in full blast, and a game is played every Saturday.

The Masonic hall and school-house are still unfinished. Cause—the prevailing epidemic, poverty.

The crops are good, and at last accounts were being rapidly gathered.

Building and Loan Association.

THE 32nd regular monthly meeting of the Winnsboro Building and Loan Association will be held in the Town Hall on Monday evening, the 4th instant, at 7 1/2 o'clock. Members will bring their books and pay their monthly installments at or before that time, otherwise the penalty of twenty cents per share will be charged after the meeting. There will be from seven hundred to nine hundred dollars for loan.

HISTORY of South Carolina,

—BY—

REV. R. LATHAN.

SO soon as a sufficient number of subscribers are secured to warrant the enterprise, I propose publishing a

HISTORY OF SOUTH CAROLINA.

The work will embrace a complete history of the State from the first discovery of the soil; the settlement of the territory at different periods; the history of the State under the Proprietary Government, under the Royal Government, and through the Revolutionary period, or to the close of the Revolutionary war. The movements of the several Whig military chiefs are accurately traced, and the several battles fought during the Revolution are minutely described.

The whole will make a book of more than 700 pages of the size of Stephens' History of the United States. It will be printed on good paper, with clear type, and bound in substantial cloth. To subscribers the book will be delivered for four dollars per copy.

Persons desiring to canvass for the work are requested to communicate with the author at Yorkville, S. C., for terms, &c.
