NEWS OF THE DAY.

The Georgia fair cleared eight thousand dollars.

Congress will take a recess over the November elections.

Augusta, Georgia, had a twelve thousand dollar fire on the 29th.

The President has appointed the 29th of November for thanksgiving day.

The English Parliament has been further prorogued to December 19th.

The French Assembly will contain 320 Republicans and 210 Conservatives and Monarchists.

Two hundred and fifty men perished in the High Blanton Colliery explosion near Glasgow.

The bark Annie, from Pensacola, and bound for Liverpool, lost her deck load and sustained some damage in a gale.

President Hayes has refused to appoint Simon Cameron Minister to England, but sends John Welsh, of Pennsylvania, instead.

The yellow fever has abated in Fernandina, but great destitution prevails. Eight hundred families have to be supported till business revives.

An alarm of fire at Niblo's Garden, New York, on Saturday night caused a stampede. Although there was a panic, none of the audience were fatally injured.

A number of prominent race horses have been entered for the fall meeting of the Louisiana Jockey Club, which begins at New Orleans December 1st, and promises to be a brilliant meeting.

The Minister of Foreign Affairs and the Spanish Minister at Washington expect that an understanding will be arrived at between Spain and the United States on the question of customs tariff.

The Egyptian obelisk, Cleopatra's needle, is still lying in the harbor of Ferral, Spain, while the ship owner that recovered it at sea is having a lawsuit with the contractor for salvage.

John Morrissey has been nominated by all the opponents of Tammany for State Senator from one of the districts of New York. Augustus Schell, who has a national reputation, opposes him. Each side claims 7,000 majority.

Kate Claxton, who was in the Brooklyn theatre when it burned down, and also in the Southern hotel, at St. Louis, when it was destroyed, witnessed a first class fire in Augusta the other night, the first that city has had in several months.

The Cabinet will endeavor to bring the estimates for the expenses of the ensuing fiscal year down to \$300,000,000, within \$3,000,000 of the appropriations of the last Democratic House; and \$62,000,000 less than those of the last Radical Congress. This is what the Democrats have done.

Wm. Lloyd Garrison denounces the Southern policy of Hayes as "a flagrant betrayal of the trust so confidently committed to his hands," and as fraught with incalculable mischief, rejoicing as it does the hearts, strengthening the hands and facilitating the plans of the Southern conspirators against law and order, liberty and equal rights. The fool killer ought to visit Boston.

On the 29th ult., the call of States for bills for reference occupied the House for five hours, and the consequence was the introduction of the largest number of bills that were ever presented in one day in the history of Congress. They reached eight hundred and forty-five. They might be classified into some half dozen prominent subjects: the repeal of the resumption act; the remonetization of silver; the repeal of the bankrupt law; the abolition of taxes on the sale of tobacco by producers; the extension of pension laws to

the South; the repeal of the test oath, and appropriations for works of internal improvements. Among the latter were bills appropriating three millions for the Mississippi levees and one million for the Missouri river.

Ayer's Cherry Pectoral

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.

As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.

This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.

Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.

DR. SIMMONS' LIVER AND BILIOUS COLIC CURE.

DISPEPSIA OR INDIGESTION.—This may be called the demon of disease. Rev. Henry Ward Beecher says, "It is a very difficult matter to save the soul of a man who has had indigestion; of small avail to cast the devil out of his heart while he still lingers in his stomach." SIMMONS' LIVER AND BILIOUS COLIC CURE will cure this disease. The remedial remedy for this disease in its stages is SIMMONS' LIVER AND BILIOUS COLIC CURE. It regulates the liver, expels all morbid humors from the system, and acts as a gentle tonic. A few doses will relieve and a little perseverance cure the worst cases. If you are bilious and languid, you may save a doctor's bill by the timely use of Simmons' Liver and Bilious Colic Cure. Many who have used it say that it is worth its weight in gold.

Mount Zion Collegiate Institute

THE fall session of this well known Institute began on Monday, August 27th. The course of instruction embraces Mathematics, the Classics, Science and the usual English branches. Special attention will be paid to elocution, reading, spelling and writing. Pupils will receive that careful drill in the rudiments which is essential to securing a thorough education. Black-board exercises will enter largely as a method of instruction. The college building is commodious and conveniently located. The Principal hopes, with the political and material improvement of the State, to secure a liberal patronage, by means of which the Institute may be restored to its former popularity and usefulness.
