Niles G. Parker's turn has come. The case against him began yesterday morning.

All communications, of whatever nature, intended for this paper, should be addressed to THE NEWS AND HERALD, or to the WINNSBORO PUBLISHING COMPANY.

The Fair was in all respects a grand success. Fairfield was, as usual, well represented. The prize for the best drilling was awarded to the Governor's Guard, of Columbia—a fine body of men commanded by Capt. Hugh S. Thompson.

We are requested to state that the ladies of Ridgeway will give a hot dinner and supper on next Tuesday, for the purpose of procuring a stand of company colors for the Hampton Rifle Guard. The ladies and gentlemen of Winnsboro are cordially invited to be present. We trust there will be a full turnout at this entertainment. The Hampton Rifle Guard is a fine body of men, and deserves the encouragement of the whole people of Fairfield.

**THE HOOK AND LADDER COMPANY.**—This organization, composed of colored men, was out on parade on Thursday afternoon, under command of President Jno. D. Smart. As usual the apparatus was in fine condition, and the men were all neatly dressed in their uniforms of blue shirts and black pants. We were much pleased to observe the full turnout on Thursday, despite the unfavorable weather. The interest thus shown by the colored firemen in their organization is worthy of great praise. Though, happily for the town, their services are seldom needed, yet, appreciating the necessity for constant readiness and constant discipline, the officers and members of the Hook and Ladder Company continue to keep their organization up to the highest standard. We are sure they will do good work whenever called, and in their efforts to make themselves efficient firemen they have the best wishes of all good citizens.

SOMETHING NEW UNDER THE SUN.—A new era is dawning upon the life of woman. Hitherto she has been called upon to suffer the ills of mankind and her own besides. The frequent and distressing irregularities peculiar to her sex have long been to her the "direful spring of woes unnumbered." In the mansion of the rich and in the hovel of poverty alike woman has been the constant yet patient victim of a thousand ills unknown to man—and these without a remedy. "Oh Lord, how long!" in the agony of her soul, hath she cried. But now the hour of her redemption is come. She will suffer no more, for Dr. J. Bradford's Female Regulator—Woman's Best Friend—is for sale by Dr. W. E. AIKEN at \$1.50 per bottle.

IS a scientific preparation of the most approved medicines in the vegetable world. It will cure liver complaint, bowel affections, skin diseases, kidney affections, bilious and malarial fevers, colic, jaundice, indigestion and dyspepsia, and many regard it as a "Family Medicine Chest" within itself.

There is no medicine now before the people that gives such universal satisfaction. No one who has ever used it but gives it the highest praise, and is ready to testify to its merits in curing dyspepsia, indigestion, constipation, liver complaint, headache, colic, bilious and remittent fever, and ague, and all forms of nervous and general debility. To persons living in malarial districts it is invaluable in preventing its poisonous influence. We regard SIMMONS' HEPATIC COMPOUND as the very simplest, purest and best family medicine ever offered to suffering humanity. It has been used with unvarying success in all climates, at all ages, and in all kinds of weather. One trial will convince the most incredulous of its value.
