### VEGETINE

#### WILL CURE RHEUMATISM.

**MR. ALBERT CROOKER**, the well-known druggist and apothecary, of Springfield, Me., always advises every one troubled with Rheumatism to try **VEGETINE**.

#### Read His Statement.

**SPRINGVALE, ME., Oct. 12, 1876.**  
**MR. H. R. STEVENS:**  
Dear Sir:—Fifteen years ago last fall I was taken sick with rheumatism, was unable to move until the next April. From that time until three years ago this fall I suffered every thing with rheumatism. Sometimes they would be weeks at a time that I could not step one step; these attacks were quite often. I suffered every thing that a man could. Over three years ago last spring I commenced taking **VEGETINE** and followed it up until I had taken seven bottles; have had no rheumatism since that time. I always advise every one that is troubled with rheumatism to try **VEGETINE**, and not suffer for years as I have done. This statement is gratuitous as far as Mr. Stevens is concerned. Yours, etc., **ALBERT CROOKER**, Apothecaries.

### VEGETINE

#### HAS ENTIRELY CURED ME.

**BOSTON, October, 1876.**  
**MR. H. R. STEVENS:**  
Dear Sir:—My daughter, after having a severe attack of Whooping Cough, was left in a feeble state of health. Being advised by a friend she tried the **VEGETINE**, and after using a few bottles was fully restored to health. I have been a great sufferer from Rheumatism. I have taken several bottles of the **VEGETINE** for this complaint, and am happy to say it has entirely cured me, and I have recommended the **VEGETINE** to others with the same good results. It is a great cleanser and purifier of the blood; it is pleasant to take and I can cheerfully recommend it. **JAMES MORSE**, 361 Athens Street.

#### Rheumatism is a Disease of the Blood.

The blood in this disease is found to contain an excess of album. **VEGETINE** acts by converting the blood from its diseased condition to a healthy circulation. **VEGETINE** regulates the bowels which is very important in this complaint. One bottle of **VEGETINE** will give relief, but to effect a permanent cure it must be taken regularly, and may take several bottles, especially in cases of long standing. **VEGETINE** is sold by all druggists. Try it, and your verdict will be the same as that of thousands before you, who say, "I never found so much relief as from the use of **VEGETINE**," which is composed exclusively of barks, roots and herbs.

### VEGETINE

PACKARD**, No. 16 Lagrange Street, South Salem, Mass.

### A SINGULAR INCIDENT IN COURT.

One of the strangest spectacles ever witnessed in a judicial tribunal was seen in the Supreme Court yesterday. It was the presence of six children, charged with murder, who were brought before the grave and dignified Supreme Judges upon a *habeas corpus*. There were four boys and two girls, aged between nine and twelve years, whose names are Harmon, Henry, Robert, Mary and Anna Fallow and William Ellis. These children are from Edgefield, and were represented by Messrs. J. C. and O. Sheppard, who succeeded in obtaining bail for them in the sum of \$3,000.

The alleged murder took place under the following circumstances. In the vicinity of Ridge Spring, in Edgefield county, lives a Mr. Fallow, father of four and guardian of the other two children. On the 1st of December, these six children were picking cotton in a field adjacent to his house, when a negro boy about sixteen or eighteen years old, who had been warned not to come on the premises, made his appearance among them, and began to maltreat and abuse them. A general fight ensued, in which the white children succeeded in prostrating the negro, and one of them struck him with a rock in the temple. The mother of the negro interfered, and another person took charge of the white children and shielded them from the infuriated attacks of the negro's mother, until Mr. Fallow made his appearance upon the scene.

The negro boy was found to be seriously injured, and from neglect of his mother, it is alleged, he was permitted to undergo exposure, from which he died in seven days. On Saturday last, the six white children were arrested and carried to jail in Edgefield, charged with murder, and were brought before the Supreme Court as already stated. Sheriff Gaston had charge of the youthful prisoners, and informed us that they had maintained the same unconscious demeanor from the outset as when we saw them before the court. No one would suspect that they were charged with crime, so innocent and listless was their appearance. It was a strange and curious spectacle, indeed, and perhaps unparalleled in the annals of South Carolina.—Register, 11th inst.

The Republican senators caused over the complaint against the sergeant-at-arms, Colonel French, that he has displaced Republicans employed to make way for Democrats. The caucus appointed Messrs. Jones, of Nevada, and Howe and Cameron, of Pennsylvania, a committee of investigation.
