POLITICAL NOTES.

Congress will take a recess from December 15 to January 10.

The silver bill, having passed the House, has been made a special order in the Senate by a vote of 41 to 18.

Secretary Sherman thinks he can redeem five dollars in paper with one dollar in gold. His faith is bigger than a mustard seed.

The St. Louis Globe-Democrat thinks that, in the Presidential race of 1880, Garfield will score "one tombstone out of a possible monument."

Sheely, of Alabama, introduced in the House a bill taxing each Chinese immigrant \$250. This, if passed, would be a practical prohibition.

Mr. Conkling's motive in opposing Fitzsimons was probably to conciliate the Southern Republicans, with a view to the next Presidential nomination.

The Cincinnati Times incidentally remarks: "Perhaps the most disgusting thing about Patterson's speech is that an occasional sentence has a savor of truth," and drops the subject.

A proposition to allow tobacco raisers to sell a hundred dollars worth of tobacco without paying tax has been voted down, the Republicans being almost solid against it, because it helps the South.

Senator Edmunds has caused the passage of a resolution in the United States asking for the names of South Carolinians indicted as Ku-klux and conspirators since the 1st of January, 1876.

It is said in Democratic circles that Mr. Kollogg has already since his entrance into the Senate shown that he proposes to be known as an Administration Senator, and that a prior understanding to this effect helped him very much to secure certain votes.

President Hayes has applied a strengthening porous plaster to his backbone and sent back to the Senate the nominations that fell through with the extra session. These include the New York nominations, so obnoxious to Senator Conkling.

Mr. Stephens has introduced in the House a bill granting aid to a Southern Pacific Railroad from Fort Worth, Texas, to San Diego, California, the road to be built at the rate of two hundred miles a year, the guarantee not to exceed \$38,000,000 in all.

The Georgia Legislature will contain only two or three Republicans and a hand full of Independents. Gen. J. B. Cummings, of Augusta, the regular Democratic candidate for Senator, has a majority of a thousand over H. Clay Foster, Independent. For the first time since the war, Glynn county has elected a Democratic member of the Legislature. James Blue, colored, has represented that county since 1868, and was the oldest member of the last House.

"Gath" describes "Senator Eaton as 'the little roostery Bourbon,' and draws this interesting picture of the Senator Davis party: 'I have been looking to see what David Davis will do with his belly. Now I see! He lifts up one leg on a leather sofa, lifts half of the belly over on that leg, keeps the other foot on the floor, and beautifully reads a newspaper. They temper the lamb to the shorn wind.'

Ayer's Cherry Pectoral

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.

As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.

This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.

Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.

PREPARED BY Dr. J. C. AYER & CO., Lowell, Mass., Practical and Analytical Chemists. SOLD BY ALL DRUGGISTS EVERYWHERE.

SIMMONS' Hepatic Compound is all vegetable, perfectly harmless and wonderfully effective; can be used at all times and at all ages, and does not interfere with one's daily pursuits, but, on the contrary enables us to pursue them with renewed vigor. It is simpler, better and cheaper than any similar preparation ever offered.

Simmons' Hepatic Compound, OR LIVER CURE, should be preferred as a corrective and alternative to every other medicine in use. Firstly, it allays fever; secondly, it cleanses the bowels without violence or pain; thirdly, it tones the stomach; fourthly, it regulates the flow of bile; fifthly, it promotes healthy perspiration; sixthly, it relieves the system from unwholesome humors; seventhly, it tranquilizes the nerves; eighthly, it acts upon the blood as a purifier; and lastly, it forms one of the most certain Liver Regulators known.
