A NEW DEVICE.

How An Elephant Was Kept From Freez-

ing. A New York letter says: Captain J. Mullitt, the famous sea lion catcher, arrived in the city vesterday from San Francisco. He had an elephant on his hands. Unlike people in the same situation, the Captain knows just what do with it. The Central Pacific Railroad Company refused to let Captain Mullitt put stoves in the cleplant's car, because of the danger to the company's property, and the Captain set his wits to devise means of getting heat without fire. He soon hit upon a practical plan. The elephant Jerry Worthen, a mulatto, was arrestwas led into a box car, and stable ed at Edgefield Court House on Monload. It was piled high around the sides of the car and loosely heared warrenton, Ga. Worthen sold this Anderson recently, soliciting contribusides of the car and loosely heaped gentleman a horse and afterwards stole tions to purchase clothes and food for around the elephant until only the the only other horse owned by him, his tribe. He represented them as head and back of the big beast were The owner of the first horse (for it had destitute of both. The tribe consists ISINGLASS, visible. All the chinks in the car were been stolen by Worthen) came and of about four hundred men and eleven stopped up, and the journey was begun. As the temperature lowered a
