QUESTION ANSWERED.

Yes. August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Bil iousness. Doctors were scarce, and they seldom heard of Appendicitis. Two town lots, by J. E. Coan, for Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and s p fermentation of undigested food, regulated the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by McMaster Co., druggiste.
