

Scott's Emulsion

is made up of the most essential elements that go to nourish the body. Where the appetite is varying or lacking, it increases it, and where digestion is weak, it aids it to perform its function in a more vigorous way. It enriches the blood, makes healthy flesh and cures chronic coughs and colds by making it possible for the body to resist disease. Our friends tell us "IT WORKS WONDERS" but we never like to overstate the merits of our remedy even when it has been tested and tried for over twenty-five years. If you will ask for it, we will send you a book telling you more about the subject than we can put in a few words.

SCOTT & BOWNE, New York.

ple were transported from their perilous positions to places of safety on land. Every house, drift, pile and tree was closely examined in search of the dead. The family of Westey McGill, reported yesterday as drowned, was found safe. The only bodies found during the day were those of Mrs. Fannie Ruffin and five children, all lodged in a pile of driftwood. These, with George Owen, the butcher, drowned while rescuing others; Frank Meyers, Mrs. Jane Watt, Mrs. Francis Moore, Mrs. Drummond, Mrs. Dennis and child and Mrs. Watson, are the only identified dead, though many are still missing. During the day systematic relief was perfected and carried on. Ferries piled across the river, carrying provisions and clothing everywhere, and returning with the injured. The latter were carefully cared for in private homes in Guthrie. By nightfall ample arrangements had been made for the immediate care of the homeless, and there was an assurance of no further suffering at least for the time being.

Smiles are smiles only when the heart pulls the wires. If money is tight, avoid it—it ought to know better. A newspaper is like a family—it is mighty easy to start. Want of care does more damage than want of knowledge. Every man thinks he carries the heavy end of the log. A man is little the better for liking himself, if nobody else likes him. Malice sucks up the greater part of her venom, and poisons herself. In India there is a species of crow that laughs just like a human being. The average depth of the sand in the African desert is thought to be 30 or 40 feet. Cruelty and religion don't fit together. How can a man love God who mistreats a helpless dumb brute? When you go home fill the house with joy, so that the light of it will stream out of the windows and doors, and illuminate even the darkness. To keep back the sharp word which you are tempted to speak may require more grace than to face a great danger or to resist a terrific temptation. Perhaps your neighbor is too polite to tell you so, but still he does not like to loan you his paper. Subscribe for it yourself, and you will never regret it.

THE OKLAHOMA DELUGE. A SCENE OF DESOLATION ON THE BANKS OF COTTONWOOD RIVER. Five Hundred Homes Swept Away, Fifteen Houses Left by the Flood, but Utterly Wrecked, and Twenty Stores Ruined.

Guthrie, Okla., April 29.—In the flood-stricken valley of the Cottonwood river to-day has been one of heroic efforts toward the rescue of those unfortunates whose lives were still endangered and for the relief of the hundreds of destitute and hungry. Tonight it seems a certainty that the loss of life in yesterday's deluge will not exceed twenty. All day missing people, supposed yesterday to have been drowned, have been found clinging to bushes or driftwood down the stream or scattered in farm houses for miles.

Five hundred homes were swept away, fifteen houses were wrecked and twenty stores devastated, leaving 1,000 people homeless and half as many destitute. The work of supplying shelter and food for all these was by no means a small undertaking. But the Guthrieites were equal to the task, and to-night thousands of dollars have been subscribed to aid the afflicted.

The damage along the Cimarron River east is very extensive, and hundreds of farms have been devastated along Deepfork, in Lincoln county. Hundreds of men worked all day rebuilding houses along the stream. The damage to property will be in the neighborhood of \$200,000, while that sustained in crops may equal or perhaps double that amount.

HOW TO FIND OUT.

Fill a bottle or common water glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention the ENTERPRISE and send your full post-office address to Dr. Kilmer & Co., Binghamton, N. Y. A well-known Irishman, who is now dead, was more than likely to be seen at the funeral of his acquaintances, or even at any prominent Hiberian though he might not chance to know the deceased personally. Walking to his place of business one morning he met a funeral procession which by its length proclaimed itself to be that of a fellow-countryman. As he waited for the cortege to creep by, some delay stopped its slow process, and seeing that the hack opposite him had but one inmate, he stepped in. Soon after the carriage had started he said to his companion: "Whose funeral is this sir?" The man looked up in surprise. "Sure, I don't know," he replied; "O'm only out for a roide like yesilf."
