ALLIANCE DEPARTMENT.

Be sure to read Pres. Keitt's letter in this issue. He asks members of defunct Alliances to go to work and revive their Alliances. We have some in this county that we believe can be revived, if good Alliancemen would bestir them-

I can say that we have the banner Alliance of the country, or at least we have no thers. We meet once a month and have good attendance. Every brother seems to be interested in the Alliance work.

The time to elect new officers is near and we ought to elect the best men to fill the offices of both county and subs.

FARM NOTES.

Had good rains the past week and crops are looking fine. Most of the farmers are through chop- debt and to maintain an English ping cotton, all I believe but poor John. Cotton is exceptionally fine. I Jind some squares in my farm. Gardens are looking very our crops. Rally up, brother farmer, and let us all get to the Alliance encampment at Tirzah.
