

The veterans had a big time in Nashville last week. Gen. Jno. B. Gordon was re-elected commander-in-chief amid much enthusiasm. Atlanta was chosen as the place for the next annual re-union.

Confederate Day At Nashville.

Confederate Day at the Nashville Exposition was an occasion second only to the celebration in Richmond a year ago. 10,000 veterans took part and the city was decorated with the Confederate colors.

A special to the State gives the following account of the part the veterans from this State took in the great re-union:

The Palmetto State was what might have been expected from them and it excited the great admiration from the people all along the line of march.

The Palmetto boys were the heroes of the day all over the city. They carried branches of Palmetto and were cheered continuously, as they always are. Before the

Woman's Work

Is never done, and it is especially wearing and wearisome to those whose blood is impure and unfit properly to tone, sustain, and renew the wasting of nerve, muscle and tissue. It is more because of this condition of the blood that women are run down.

Tired, Weak, Nervous,

Than because of the work itself. Every physician says so, and that the only remedy is in building up by taking a good nerve tonic, blood purifier and vitalizer like Hood's Sarsaparilla. For the troubles Peculiar to Women at change of season, climate or life, or resulting from hard work, nervousness, and impure blood, thousands have found relief and cure in

parade was over palmetto sprigs could be seen in the hands of almost every lady one met. There was a great rush for it.

The Palmetto division was the first in the parade, the only veterans ahead being the Tennessee general officers. General Walker and all his staff wore hat cords made of plaited palmetto and their sashes were of the same beautiful and striking material. General Walker also wore the sash he wore in front of Nashville during the war. South Carolina had about 300 veterans in line. Capt. R. S. DesPortes, the commandant of Camp Hampton, acted as brigade in place of Col. Coward, who could not come. Carolina's sponsor, Miss Bratton, and her maid of honor, Miss Huger rode in a carriage at the head of the division. When the heavy storm came these two young women proved their worthiness by remaining in their seats and taking the downpour with the courage of the grizzled veterans. General Butler rode in the parade in a carriage with Gen. A. P. Stewart, the wife of General Bate and the wife of General Buckner.

On the parade, at the corner of Church and Spruce streets, Mayor H. H. Evans of Newberry and Comrades Tom Inglesby, Baron Holmes and Jno. Ahrens raised an arch of Palmetto through which the rank and file of the Palmetto boys passed, receiving the greatest cheering. Further on the South Carolina divisions, seeing the sister of Sam Davis, the Tennessee scout who was executed for refusing to betray a friend, halted and each man shook her hand. She was very much touched by the compliment. General Gordon in passing the Palmetto headquarters saluted the Palmetto flag and bowed to the Carolinian ladies who were in the windows, and a feature of the parade was a representation of the Confederate flag by thirteen young ladies on horseback. The first represented South Carolina, being clad in a blue gown with thirteen white stars on the skirt, and mounted on a black horse. The others coming in regular order were gowned in red and white. Miss Cora Hager, of Mississippi, represented South Carolina.

"I have never had a day's sickness in my life," said a middle-aged man the other day.

"What a comfort it would be," sighs some poor invalid, "to be in his place for a year or two." Yet half of the invalids we see might be just as healthy as he, if they would only take proper care of themselves, eat proper food—and digest it.

It is so strange that such simple things are overlooked by those who want health.

Food makes health. It makes strength—and strength wards off sickness. The man who had never been sick was strong because he always digested his food, and you could become the same by helping your stomach to work as well as his. Shaker Digestive Cordial will help your stomach and will make you strong and healthy by making the food you eat make you fat. Druggist sell it. Trial bottle 10 cents.

Educate Your Bowels With Cascarets. Candy Cathartic, cure constipation forever. 10c, 25c. If C. C. C. fail, druggists refund money.

CYCLONE AND HAIL.

Aiken Visited by a Fearful Storm, Which Felled Trees, Unroofed Houses and Demolished Buildings.

Aiken, June 25.—Aiken was visited this afternoon by one of the most terrific hail storms that has ever been experienced in this part of the State. The cloud came from the west and reached the city at about 15 minutes to 5 o'clock. The heavy wind that accompanied it was on the order of a cyclone and did immense damage to property in the city.

The storm prevailed about 35 minutes and during that time the face of the earth was covered with hail, varying from the size of a pea to that of a hickory nut. During the storm great fear among our people prevailed. It was densely dark and the falling of the trees and tearing off of the roofs of residences was fearful.

Among the damaged so far heard from is Mr. John Williams' house, which is crushed in by a chimney. The Stafford house was completely blown down. Mr. Charles Burckhalter had a small house unroofed, as did Mr. Summerell. Powell Bros.' store, E. H. Buche's store, the Highland Park hotel, Mr. C. Klattee's store and dwelling Mr. Johnson's store and dwelling, Mr. G. K. Chafee's house, the old Henry house, Dr. C. F. McGahan's stables—all had part of their roofs taken off.

The damage to window glass is unknown, as all windows on the west side of all buildings suffered from the hail. In many places saddle boards and shingles were ripped from the roofs of wooden buildings and the fences and shade trees are all damaged. The Schoolfield school had part of its roof taken off. Much damage otherwise.

The crops, all that have been reported thus far, have been seriously damaged by the hail and wind. The oldest citizens of our city claim that they never saw the like before. The damage to property cannot be estimated at this writing, let alone the crops in the field. It is claimed that the damage would have been greater had not the thick hills and pine forests on the west of Aiken broken the force of the storm.

Marriage of Two Former Lancastrians.

At the home of her brother, Mr. James McLarnon, Tuesday morning at 7:30 o'clock, in the presence of a few friends, Miss Janie McLarnon, was united in marriage to Mr. H. B. Howie, Rev. H. C. Buckholz officiating. The bride was one of our most popular and attractive young ladies and her friends were numerous. Mr. Howie the groom, came here a short time ago from Monroe and is connected with the new steam laundry being put in here. The happy couple left over the Seaboard at 8:30 to visit Atlanta and the Nashville exposition. Their many friends here wish them a long and happy voyage across the sea of life.—Ches-ter Bulletin, 25th inst.

Pursuant to advance notice a Baptist church was organized at Stevens' mill last Thursday with 13 members. Officers were elected and the name selected for the new church was Antioch. Revs. J. S. Croxton and S. N. Watson assisted in the organization. Work will start soon on the church building.

Meeting Closed.

Rev. J. Barr Harris closed his meeting Sunday night. There were about 30 accessions to the church as a result of the meeting. Mr. Harris left for his home at Rock Hill yesterday.
