of Cod-liver Oil with Hypophosphites, will make poor blood rich. It is a food for over-taxed
and weak digestion, so prepared that it can easily be taken in summer when Cod-liver Oil or even ordinary foods might repel. SCOTT \& BOWNE,

A DESPERATE TRAIN ROB BER.
Fatally Shoots a Man Who Sought to Arrest Him.

Cullman, Ala., Aug. 10.—S. M Allison of this city was shot last night, in the upper part of this county, by George W. Sullivan, whom he was endeavoring to arrest. Sullivan is wanted by the Southern Express company
for train robbery in Arkansas. Last March circulars with photo graphs and description of Sullivan were sent out. Yesterday a stranger traveling through the
country stopped to get a drink of water at Mr. Walker's, near here Young Philpot, who was there and who had one of the circulars, at once recognized him. No et-
forl, however, was made to arrest him, and he passed on a few miles when he met $\Lambda b$ Powell, who also recognized him from the circular. Mr. Powell meeting
Sheriff Algood, who was in the country, informed him of the facts.

When the sherifl reached town Sullivan passed through. Mr. Al-
lison and a Mr. Howell went in pursuit. They found him at the house of Mr. Smithers, three miles north of town, about 11 o'clock last night. Their knock on the
loor was answered by its bein. opened, and stepping in they found their man lying on a pal fiately raised himself to a sitting posture and asked: "Do you want
name is Sullivan i do."
The latter immediately raised himself, raised his pistol, which he had concealed bet ween his loge, and tired. The ball entered the
neck above the clavicle Allison fell, and for some time it was thought he was dead.
Sullivan fled, without shoes or into Faulkville and surrendered, saying he had killed a man and feared violence He is in custody at Decatur and will be brought here to morrow.
Allison is lying in a critical be was brought last night. will hardly recover.

The reward for Sullivan is $\$ 200$

BOMBS IN CONSTANTINOPLE. Series of Explosions-The City in a state of Panic.

Constantinople. Aug. 18.-The ity is almost in panic tonight ver the news of bomb explosions attempted or accomplished this ernoon at three different points The explosions are attributed o the Armenians.
At 3 o'clock a bomb was thrown just outside the police headquar ters in the Pera district. It fail ed to explode. Almost at the
same moment an Armenian,
whose name, it is believed, is

## was trying to ignite

 Vizierate (offices of the prand vizier) and the state council ouse. One man was killed and jured. The explosions shattered windows in the vicinity and did The plight damages.
The police have made a number of arrests. Reports of the outrages spread quickly through the city and caused the greatest
excitement. The police and the guards at the Sultan's palace are taking extraordinary precautions tonight, which have given color to a rumor that the bomb throw plot. The most abject terror prevails in the precincts of the palace. In many parts of the city, particularly in the vicinity the state council house, all the hops were closed, and it was necessary to call out the entire
police force and the military beore anything like calm was re tored.
The Armenian who was ar rested at the Imperial Ottoman bank was trying, it is reported, o place a bundle of explosive ear one of the main entrances The crowd who saw him deliver d by the bank officials to the police would have made short work of him if they had not pre ented.
The police are very reticent as the reason for summoning the palace guard and closing all the loors and gateways, but it is
mored that a similar outrage attempted within the palace limts and that the approaches were
barred to prevent the exit of the would be perpetrator.
