

New Quarters!

TWO DOORS SOUTH OF OLD STAND;

(In store room recently occupied by W. D. Lemmond.)

Where we are still selling the **BEST GROCERIES**

at the very lowest possible prices,—so low in fact, that several of our competitors have complained and insist on our not selling so cheap.

Nevertheless, we are now in a larger **STORE ROOM**, which means larger complaints, as we are better prepared, with fair and honest dealings, to serve our customers with the best **GOODS** we can buy at the very lowest prices. Give us a call. Each and every one has a special invitation. We are always glad to see you.
