Backache, High Colored Urine, Dizziness, Etc.

It is criminal—down right foolishness—to neglect your Liver and Kidneys when your whole health depends upon their proper action.

—Try—

Liver and Kidney Pills,
They will relieve you.

J. F. MACKEY & CO.

School Opened.

The Graded School opened Monday with the principal, Prof. A. M. Rankin, and all the assistant teachers in their places. They enrolled about 195 pupils that day and others have come in since.

Sick-poison is a poison which makes you sick. It comes from the stomach. The stomach makes it out of undigested food.

The blood gets it and taints the whole body with it. That's the way of it.

The way to be rid of it is to look after your digestion.

If your food is all properly digested, there will be none left in the stomach to make sick-poison out of.

If your stomach is too weak to see to this properly by itself, help it along with a few doses of Shaker Digestive Cordial.

That's the cure of it. Shaker Digestive Cordial is a delicious, healthful, tonic cordial, made of pure medicinal plants, herbs and wine. It positively cures indigestion and prevents the formation of sick-poison. At druggists. Trial bottle 10 cents.
