A GREAT FALL TRADE!

We expect it. We deserve it. We'll be ready for it in a few days. We'll have it.

We went into the Northern Markets expressly for up-to-date **BARGAINS**. We picked over every stock—taking here and there only such goods as we knew you would want. The result is, every nook and corner of our store is crowded with desirable goods at prices that do credit to the name of

"BARGAINS."

Under the magic of our "**Low Prices**" watch them disappear. We could sell the roof of the Store.

Only one-half of our big purchase in store—other half in depot. The public expects us to sell cheaper than our competitors, and we'll do it.

Next week an advertisement with startling low figures.

Our experienced Milliner, Miss Brown, is busy arranging a superb line of **Millinery**. You will think the prices are low.
