

# Cancer Of the Breast.

Mr. A. H. Crausby, of 158 Kerr St., Memphis, Tenn., says that his wife paid no attention to a small lump which appeared in her breast, but it soon developed into a cancer of the worst type, and notwithstanding the treatment of the best physicians, it continued to spread and grow rapidly, eating two holes in her breast. The doctors soon pronounced her incurable. A celebrated New York specialist then treated her, but she continued to grow worse and when informed that both her aunt and grandmother had died from cancer he gave the case up as hopeless. Someone then recommended S.S.S. and though little hope remained, she began it, and an improvement was noticed. The cancer commenced to heal and when she had taken several bottles it disappeared entirely, and although several years have elapsed, not a sign of the disease has ever returned.

### Surgeon Bratton is Dead.

Winnboro, Oct. 4.—About 8 o'clock Sunday night a telegram was received here by Gen. John Bratton announcing the death of his son, Dr. William Dubose Bratton, past assistant surgeon in the United States navy at Sabine Pass, Texas. He had volunteered his services for the benefit of the yellow fever sufferers, and while en route on Saturday he fell through the hatch of the vessel, receiving the fatal injuries from which he died about 10:30 Sunday morning.

The remains were forwarded here by express to day. Dr. Bratton had been connected with the United States navy for several years. He was about 36 years of age, a gentleman of sterling attributes, and a hard student. He had won for himself an enviable reputation in the navy.—The State.

### Build up Your Town.

The following is from the Abbeville Press and Banner and is a lesson that all would do well to heed:

"If you are a friend to your neighbors, your town and county, do your trading with your own people. If a man was seeking to ruin his neighbors and destroy his town the first thing he would do would be to withdraw business.

While your trade might not be missed, and while you might be able to stand the cheat and expense that may be incident to your foolish act in going away from home, yet the act is unneighborly. Be true to your own best interests by trading with the people who make a specialty of trying to please the people of this community.

### Food That Makes Brains.

According to a celebrated health expert blanched almonds give the higher nerve of brain and muscle food, and the man who wishes to keep his brain power up would do well to include them in his daily bill of fare. Juicy fruits give more or less the higher nerve or brain, and are eaten by all men whose living depends on their clear-headedness. Apples supply the brain with rest. Prunes afford proof against nervousness, but are not muscle feeding. They should be avoided by those who suffer from the liver. But it has been proved that fruits do not have the same effect upon everybody. Some men have never been able to eat apples without the agony of indigestion; to others, strawberries are like poison.

### ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

### CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty four hours; a sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention the ENTERPRISE and send your address to Dr. Kilmer & Co., Binghamton, N. Y.
