THE GREAT WALLACE SHOWS.

The Most Reputable and Enormous of Tented Institutions. Will Exhibit at Lancaster, Nov. 11th.

It is claimed, and with every evidence of truthfulness, that the Great Wallace Show this season is one of the two largest in America. This country is known as the only home of great-tented amusements, consequently this aggregation can be safely classed as the greatest in the world. Over 1,000 people are engaged in the various departments, 600 superb horses, 50 cages and dens of wild animals, including the famous "Man Eating Wallace Lions," herds of elephants, droves of camels and ostriches, a huge spread of canvass covering over 14 acres of ground and a seating capacity for 12,000 persons. Over 100 principal feature acts are presented, among which are the famous Nine Nelson Family, for whose equal B. E. Wallace has long had a standing challenge of \$10,000.00. This challenge has never been accepted and never will be as their equals do not exist. The Wenzel Family, The Martells, The Ten Bellameads, Sansoni Sisters, Three Petits, Rowena, Three Sisters Maccari and spectacular ballet. Gaza the magnetic girl, and the singing mules are also among the principals. The great menagerie, containing as large a collection as any zoological garden can boast of and several specimens exclusively its own, the splendid company of high class male and female bare-back riders, acrobats, clowns, aerialists, performing animals, three rings, two stages, olympian stages, mid-air carnivals, the superb and exciting hippodrome races, contests and exhibitions, including thoroughbred, chariot, standing, and other races of ancient and modern times, unite in making a program of entertainment that has never been approached in point of excellence and magnitude in the circus arena. The management do not tolerate the presence of any gambling or catch penny affairs about the grounds and special detectives are carried to protect their patrons from this usual nuisance. A grand free street demonstration will be given on the date of the exhibition, leaving the grounds at 10 a. m., sharp. A solid mile of glitter and splendor, representing an investment of \$4,000,000.00 is promised. Excursions will be run on all railroad lines.

To be Married To-night.

Mr. Sam'l Cauthen and Miss Lula Overcash will be married to-night at Beaver Creek church. Rev. S. N. Watson will officiate.
