

RS. MARY LEWIS, wife of a prominent farmer, and well known by all old residents near Belmont, N. Y., writes: "For twenty-seven years I had been a constant sufferer from nervous prostration, and paid large sums of money for doctors and advertised remedies without beneat. Three years ago my condition was alarming; the least noise would startle and unnerve me. I was unable to sleep, had a number of sinking spells and slowly grew worse. I began using Dr. Miles Restorative Nervine and Nerve and Liver Pills. At first the medicine seemed to have no effect, but after taking a few bottles I began to notice a change; I rested better at night, my appetite began to improve and I rapidly grew better, until now I am as nearly restored to health as one of my age may expect. God bless Dr. Miles' Nervine."

## POSITIVE PROOF.

A lady friend of mine has for several years been troubled with bumps and pimples on her face and neck, for which she used various cosmetics in order to remove them and beautify and improve her complexion; but these local applications were only temcondition.

I reccommended an internal preperation-known as Botanic Blood Balm, (B. B B.), which I have been using and selling about two years; She used three bottles and all her pimples have disappeared; her skin is soft and smooth and her general health much improved. She expresses herself much gratified, and can recommend it to all who are thus affected. Mrs. S. M. WILSON, Iron Mountain, Texas.
