Furniture and Stoves!

There is no use quoting prices on

would be only a waste of space
and printer's ink to do so.

Culp are the presiding genii in

Rio 9 pounds to the \$1.00. Now
it is a well known fact that the
New Tariff has advanced Guns 40
per cent.—We anticipated this
fact and bought our Guns in June.
So you can have them at the old
price. It is also as well known
that we carry the only complete
stock of Guns in Lancaster.

Our Buyer, Mr. T. M. Fitzpatrick, when he left for the Northern Markets, was bouyed up by the promising crop prospect and bought the largest STOCK he ever bought. The last four weeks of dry weather has cut the crop off. So we intend throwing profits to the wind. The Goods will have to be sold. No matter at what sacrifice. WE HAVE GOT TO HAVE THE MONEY.

The Cotton Plant has made an
other appearance. It is now ed-
ited and published by Col. J. A.
Hopt at Greenville, and prom-
ises to be an improvement upon
the past few years.

Tammany had a sweeping vic-
tory in the election of mayor of
Greater New York last Tuesday.
Judge Van Wyck, who by the
way is a native of South Caroli-
na, was elected by a plurality of
about 79,000 votes. Seth Low was
the next highest.

Those of our farmers who have
not sowed wheat yet should re-
member that flour is high and
likely so to remain for a good
while yet, and cotton is low. If
you put some of your land in
wheat it will pay you.

School Will Open.

The Second Baptist Church.

A Baptist church was organized
at the factory Monday night, to
be known as the Second Baptist
church with 14 members. The
presbytery formed for the pur-
pose of organizing the church
was composed of: Rev. J. W.
Little, Rev. J. H. Boldridge, W.
T. Gregory, D. A. Williams, J. D.
Taylor and A. C. Teele.

Messrs. J. A. Threutt, M. J.
Funderburk and J. L. Hunter
were elected deacons, and Mr. J.
T. Davis was elected clerk. After
the organization was effected one
member was received on ex-
perience, making 15 members the
new church starts out with.

A stomachful of undigested food is
about as unhealthy a mass as one
can well imagine.

What can be done with it?
There it stays. It won't digest. It
churns up, ferments and decays; be-
comes poisonous (as all putrid matter
does) and causes great pain and deep-
seated disorders.

In order to change all this, take
Shaker Digestive Cordial.

It stops fermentation and decay at
once, so that no more poisons are cre-
ated.

It clears the stomach of poisons al-
ready there. It helps it to turn the
food that remains, into healthful nour-
ishment. It strengthens the stomach
for the next meal.

Here is the whole philosophy and
cure of indigestion in a few words.
And what's more, it's all true. Try it.
Shaker Digestive Cordial is for sale
by druggists, price 10 cents to \$1.00 a
bottle.

Preamble and Resolutions on the Death of Mack Dunn.

At a meeting of the 8th grade
of the Lancaster Graded School
Tuesday, Nov. 9th, the following
preamble and resolutions were
adopted to express in some way
their sincere sorrow at the death
of their fellow student—Mack
Dunn:

Whereas death has the second
time in three months entered our
ranks and taken from us our
brightest and best, and while we
know that God never makes mis-
takes and feel that it is fitting
that the good die first; be it re-
solved:

1st. That in the death of our dear
comrade in study our grade has lost
its acknowledged leader, one who, dur-
ing his entire connection with the
class, was never known to fail in a re-
citation or violate a rule. Our teacher
has lost her most attentive and satis-
factory pupil and we, our ever court-
ous, large-hearted and sunshiny friend,

2nd. That since the Divine Princi-
pal has promoted Mack to the High
School of heaven and has exchanged
the Honor Roll of earth for that of the
Eternal City we, who are left, will
cherish his memory and let the sweet
influence of his example lead us on to
higher and better things.

3rd. That we tender to his stricken
mother our heart-felt sympathy in this
bereavement with a copy of these
resolutions and pray that God will
heal the wound that He in love inflicts.

Best Silverware Made!
In the Manufacture and Stamping of Silver Plated Ware,
the term "QUADRUPLE PLATE" has been used for many
years. THIS TERM alone NO LONGER guarantees quality
and is found stamped upon quantities of goods of base metal
and of cheap make. The clear stamp and name of a respon-
sible maker are the true guarantee of quality.
EVERY ARTICLE bearing our name in any form whatever, is
fully guaranteed by us to be THE BEST, and rigid compar-
ison is invited. We know that our store offers positive ad-
vantages to those who are careful about the quality of goods
bought, and more careful about the price paid for them.
