### Eczema Her Life.

says that his daughter, Ida, inherited a severe case of Eczema, which the usual mercury and potash remedies failed to relieve. Year by year she was treated with various medicines, external applications and internal remedies, without result. Her sufferings were intense, and her condition grew steadily worse. All the so-called blood remedies did not

seem to reach the disease at all until S. S.S. was given, when an improvement an improvement
was at once noticed.
The medicine was
continueed with favorable results, and
now she is cured
sound and well, her
skin is perfectly
clear and pure and
she has been saved
from what threatend to blight her life forever.

This bill will wipe out the gambling market and leave the producers of cotton in a position to control the price of their product within reasonable limits. It is needless to say that under the prodisions of the bill, the same remedies may be applied to all other agricultural products-corn, wheat, oats, etc. I speak of cotton specificall because my people are mostly interested in it.

"The section of the bill requiring each contract to relate to one grade only will of itself revolutionize the transaction of the cotton exchange. Under the existing rules the seller of futures can deliver any grade from good ordinary to fair. This shuts out spinners and and actual buyers of actual cotton, practically, from the cotton exchange, because the spin-hibition paced. "If we compel the delivery of the grade specified, then spinners can have a showing on the exchanges.

"I repeat: the bill will give the relief the farmers need, if it becomes law; and it will become law if the farmers demand it."
