## Bridge to EDe Lot

 sible biddero＇clock m．，the coritrach to build
a bridge across Flat Ureek，at the ford nea
dence．
Plans and specifications will be made known at the letting Bond will be required of the suc cencial lidoter．The rikhe
ject any and ant bide is rosc County Supervisor
Feb．17， 1303.
Ihave used，Chambaslaia＇s Cough Remedy for a nomber of veara

## that it

 nor worde to my familly． 1 have dence in this Remedy－Mrs J．A saie by J．F．Mackey ofNHOUKING ACCEDENT．
Newark，N．J．，Feb． $19-$ rast express on the Lackawa．n crowded with schoot children The Clifton avetuo crosing ， were killed and a seore or more of the car，who stuck to his post， will die，and the engineer of the express was so badly hurt that there is little hope of his recov ley were on steep praves．poing at right angles．The expess
was signalled and the crossing gates were lowered while the trolley car was yet half way
down the lill．The motwmat shat off the power and monlied the brakes but almost immediate－ ly the car began to slip along the
icy rails．It gained tremendous momentum at the hottom of th hill，crashed through the gates，
directly in the track of the on directly in the track of the on
coming train．The locomotive plowed its way through the trol ley，throwing the children $i$
The dead are：Viola 1II， 1 vears，Ernest P Muller 15 yosa，
Mahel E．Karschner 17 vears， Tiffia，O．，Alma Lentnerg it years，Rosebud Kohn，Ellia We upp 19 years，Evan L Eactwood
The accidect happened whi hree blocks of the high school
building and in the car at the time were nearly 100 pupils．A throw themselves fro
$r$ before the crash came． The wreck of the trolley car as complete．The pilot of the
nome struck it almost amid ships and turned it partly around
cut then the pondenns enfin
＂ut it The Thpnet part of the lrolley was reduced to trag
tocomotive．One－hath of the car
was thrown to one sid．ani hav
the tracks．The wher sechos
ta corled direction lay the dead ta every direction lay the dead
yind injured The engine was truin and from the nearby
howes mon ruwhed to the rescun
Whe apectaclo was appulling and

## NINE BUBNED TO DEATH．

Oedar Rupids，Iowa，Fob． 20 － Fire this morning destroyed the Olifton Hotel，cremated nine of the guests and caused injuries to corched or fored who wer rozen street from jamp to the hird－story wiadows．After an all－day search in the debris，four bodies have been recovered．It is now believed that five more bodies remain in the ruins of the hotel，which is said to have been a flimsy structure and filled with degates to the State Youns Men＇s Christian Association Con ention，and the District Conven fion of the Knights of Pythlas The hotel register was destroyed ons making it diffi alt to ascer Forty men have been working in he rubbish all day．and will con tinue to dig for the remains of burned persons all night．Th hoss is $\$ 60,000$ ．Nearly all those njured were Lowa people．While their injuries are severe in many cases no one was fatally hurt．

The hotel，a three stery brick tructure is enid to biory veritable fire trap．The flames started in a pils of rubbish in the basement，presumably ignited by defective electric light wires The night clerk was on the third loor when the cry of fire，raised y a bell boy，startled him．H ook up the cry and in an instan he hallways were chocked with rightened guests．A rush was ben that the crowd，already was ected in the street heard heart ending cries of angnish and der－ peration，for the fire，feeding material of the lower floor，had completaly cut off mespe．There
followed a stampule for the win Lows，the only means of escape The sireet below was filled with rowd scarcely less frantic that the despairing ones in the fast． burning building．

The victims were literally drive very one of them lingered to ：l Ih the hope of assiatance．The
cry would tell that the fire hat
