STRONG, HEALTHY, AND FULL OF VIGOR AT 104.

SIXTY-FIVE GRANDCHILDREN LIVING AND MARRIED.

Mr. Ralph Bullock of Brooklyn N. Y., Who Is In His 105th Year, Says He Is as Young and Active as Any of His Grandchildren--He Weighs 175 Pounds, and His Only Medicine Is

DUFFY'S PURE MALT WHISKEY

"I was always fond of life," said Mr. Bullock to a reporter last evening. "I saw a great deal of it when I was young, and to this day I can laugh as heartily as the youngest of my grandchildren. I am good for some more years, and I scarcely feel my age. My vigorous constitution and remarkable freedom from disease is due to the daily use for many years of Duffy's Pure Malt Whiskey. Though I am past 104 years of age, I feel as young and hearty as forty years ago. I weigh 175 pounds, my appetite is good, and I still do all the chores. I cannot say too much in favor of Duffy's Pure Malt Whiskey, which is indeed a blessing to old people and invalids. I know it has prolonged my life many years."

Mr. Bullock's wife died twenty years ago, and he is living with one of his grandchildren. Sixty-five grandchildren are married, and they are all strong and healthy. His descendants who live in Fort Hamilton, Brooklyn and Manhattan are the McDonald, Watts, Hurst, Bullock and Clark families.

The health and vigor of Mr. Bullock's children and grandchildren show that their father thought of his descendants and kept his constitution strong and vigorous with a pure stimulant and tonic, leaving all kinds of drugs and medicine alone. So it is with a woman; she should keep herself healthy and strong. If the fathers and mothers kept their constitutions strong and free from disease, there would be no sickly, puny children. It is an easy matter to keep the body in a state of normal health by using Duffy's Pure Malt Whiskey, the only absolutely pure stimulant and tonic which is free from fusel oil and other dangerous ingredients. Do not fill your system with patent medicines and drugs.

There are thousands of cases similar to that of Mr. Bullock's, and if every one used Duffy's Pure Malt Whiskey as directed, the average life would be prolonged at least twenty years.

Duffy's Pure Malt Whiskey has cured millions in the last 50 years. It is prescribed by over 7,000 doctors and used exclusively by 2,000 prominent hospitals. The genuine Duffy's Pure Malt Whiskey is

Sold At All Dispensaries, or direct at \$1.00 a bottle. Beware imitations and substitutes, there is none just as good as "Duffy's." It is the only whiskey recognized by the Government as a medicine. This is a guarantee. Valuable medical booklet sent free. Duffy Malt Whiskey Company, Rochester, N. Y.

NEW ORLEANS PREPARING

To Give the Men Who Wore the Gray a Royal Welcome.

New Orleans, May 4.—Isidor McMahon, Jr., has given an additional \$1,600 to the Confederate reunion fund. Subscriptions are coming in rapidly. The total fund is sure to reach the full \$100,000 by the time the reunion opens. A big two days' fete for the reunion fund has been arranged to take place simultaneously at Athletic park and the fair grounds, with all sorts of games and exhibitions. The people are enthusiastic about the entertainment of the veterans. The number of people will be enormous, but the city will readily take care of them.

FUNERAL OF MR. ARDREY

Special to The State.

Fort Mill, May 4.—The remains of Mr. John Erskine Ardrey were interred today in the family plot in the cemetery in Fort Mill by the side of his sister, Lillie, who died in 1890. The funeral services were conducted at the house by the Rev. Dr. J. H. Thornwell, assisted by Rev. Dr. J. B. Mack, who in eloquent but simple language told of the pressing need that the Master must have had for the young man in his vineyard on the other side. The large house, veranda and part of the yard were crowded with sympathizing friends, who followed the remains to the cemetery. More than a wagon load of cut roses were placed on and around the newly made grave.

THE MAN WHO ARRIVED.

Christopher Columbus is one of the greatest historic examples of that type of the creature called man, which works, overcomes obstacles by working, keeps on working, instead of laying off under discouragement, and finally, persistent, work, gets there.

Most Americans whose lives are not a continual holiday are at work to get somewhere or other. The way to arrive is to keep hard at it.

The best way to celebrate the day particularly connected with the arrival of Mr. Columbus is for his beneficiaries to continue it as a legal work day, not to pretend to honor that energetic gentleman by loafing in his name.

Supervisor's Office Days.

My regular office days will be on Wednesday and Saturday of each week. The remaining days will be required in the discharge of other duties.

L. J. Perry,
County Supervisor.

A man living on a farm near here came in a short time ago completely doubled up with rheumatism. I handed him a bottle of Chamberlain's Pain Balm and told him to use it freely and if not satisfied after using it he need not pay a cent for it, says C. P. Rayder, of Pattens Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar saying, 'give me another bottle of Chamberlain's Pain Balm I want it in the house all the time for it cured me.'" LIFE IMPRISONMENT.

Frankfort, Ky., April 30.—In the third trial of James Howard for the killing of Gov. William Goebel, over three years ago, the prisoner was found guilty. The jury first reported that it could not agree. Judge Cantrell then sent its members back with instructions to remain until an agreement was reached. A half hour later the jury again reported with a verdict of guilty, and fixing the punishment at life imprisonment.

The jurors all voted for a verdict of guilty, the disagreement being as to the extent of punishment. Death was favored by all but Juror Burkes, who announced that he would under no circumstances vote for the death penalty and a verdict for life sentence was agreed upon.

Even when writing an official document, Maine's present governor does not consider it necessary to suppress his personal sentiments. "Wholly contrary to good sense and in spite of my convictions," he wrote, "I do now appoint a fast day, hoping nobody will observe it, feeling sure that it is a mockery and a farce, and wishing with all my heart that it might be abolished and thus enable me to keep a clean conscience."

In almost every neighborhood someone has died from an attack of colic or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for anyone to take. Chamberlain's Colic Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than other medicine in use. It can always be depended upon. For sale by J. F. Mackey & Co., Druggists.

All but one of the United Presbyterian churches in Pittsburg and Alleghany have been converted to the belief that the use of pipe organs in public worship is all right.
