## CATARRH CURED, HEARING RESTORED.

After 25 Years of Suffering with Catarrh, Which Caused Deafness, Mr. W. Scott Was Completely Cured by DUFFY'S PURE MALT WHISKEY

W. SCOTT.  
3758 N. Fifteenth Street,  
Philadelphia, Pa., March 10, 1901.

Dear Sir: I have now used four bottles of your Malt Whiskey, and think I owe my life to this whiskey. I am 67 years old and have had catarrh of the nose, throat and head for twenty-five years or more. I am hard of hearing. About six weeks ago I was so sick I could not eat, sleep and hardly able to walk. Felt more like dying

than living. Was under a doctor's care and taking all kinds of drugs and medicine, douches, solutions in nose, etc. The doctor nearly blew my head away with a powerful air pump—medicated air, he called it. It did absolutely nothing in my case. I threw everything away—medicine, air pump, douches—and commenced on Duffy's Pure Malt Whiskey. I felt better from the start. I take one ounce with

breakfast, and now, after using four bottles, I can eat and drink and sleep well, and I feel better to-day than I have for twenty years. I was opposed to all kinds of liquor and used none for twenty-five years. I use Duffy's as a medicine only, and shall continue to use it as long as I live, if I can get it. I know it will keep me alive, and may in time improve my hearing. I hope it will. Yours very sincerely,  
W. SCOTT.

### A LATER LETTER.

Dear Sir: I have improved some since writing you before, only occasional cough and very little discharge from nose. Feeling much better. My hearing is much improved now; not so much roaring in my head since Duffy's has brought my blood to a healthier condition and motion.  
Sincerely yours,  
W. SCOTT.

Thousands like Mr. Scott have been cured of Catarrh, Asthma, Bronchitis, Influenza, Grip and Consumption by Duffy's Pure Malt Whiskey, which stimulates, enriches the blood, aids digestion, builds new tissues and kills the disease germs. The system must be kept strong and vigorous, so that it will throw off disease. It is the run-down, worn-out system that contracts those diseases which so often prove fatal. Take heed, build up your body, keep your blood rich and the circulation normal, then you need have no fear of disease.

Duffy's Pure Malt Whiskey is prescribed by doctors and used exclusively in all the prominent hospitals. It has stood severe tests for fifty years and always found absolutely pure and free from fusel oil and all dangerous ingredients.

**CAUTION.**—When buying Duffy's Pure Malt Whiskey be sure you get the genuine. Unscrupulous dealers, mindful of the excellence of this preparation, are sometimes tempted to put upon the market for profit only, and will try to sell you cheap imitations and so-called Malt Whiskey substitutes, which, far from relieving the sick, are positively harmful. Beware of Duffy's and be sure you get it. It is the only absolutely pure malt whiskey which contains medicinal health-giving qualities. Look for the trade-mark, "The Old Chemist," on our label.

The genuine Duffy's Pure Malt Whiskey is

**Sold at all Dispensaries,**  
or direct at \$1.00 a bottle. Refuse imitations and substitutes, there is none just as good as "Duffy's." It is the only whiskey recognized by the Government as a medicine. Valuable medical booklet sent free. Duffy Malt Whiskey Company, Rochester, N. Y.

## LETTER FROM WASHINGTON

Special Correspondence of The Enterprise.

Washington, May 18.—The people of the United States have a strenuous president in the White House, and he also is a very costly proposition when you come to count the dollars he has cost the taxpayers of the country since he entered the mansion of the chief executive of the nation. Aside from the half a million dollars it has cost to repair and refurnish the building the past year, the cost of maintaining the establishment has increased enormously.

The presidential office building, directly to the west of the White House, and members of congress who have expressed an opinion of it say that it looks like a stable. It certainly is about the ornierest looking affair for the office of the chief executive of a great nation to have cost so much money that any man ever saw. On first beholding it nearly every man says to himself that if that little cheese box cost \$65,000, then some man certainly got in his graft good and hard. Then there are other expenditures that the people of the country never heard, in connection with Roosevelt's short occupancy of the White House. There has been an increase in the running expenses of the White House, since the Roosevelt advent of over \$25,000 a year; new furniture and fittings for the "Mayflower" (the president's yacht) over \$100,000; the cost of keeping the "Mayflower" in commission for two months last year, \$15,000; repairs and refitting the "Mayflower" last year, \$34,000; repairs and refitting the "Mayflower" this year, \$30,000. All this with the half million dollars spent on the White House approximately makes \$750,000 that the strenuous president has cost the taxpayers of the country more than he or any man in his position should have cost them.

There were a few thousand dollars left over from the appropriation to fix up the White House unexpended after the work was finished, and plans immediately were put in operation to get rid of this amount before the end of the fiscal year, June 30, next. "There ain't a goin' to be no core to this apple" when the president gets through with that appropriation. The president's yacht, the "Mayflower," is the most gorgeous craft that ever floated in salt water. It was built by Mrs. Ogden Goelet and was about completed when the government bought it for \$430,000, at the time war was declared with Spain. It

is officially classed as a cruiser and is named "the Albatross" or "the Boston." She is at the disposal of the president at all times, and was fitted up at enormous expense for his enjoyment. The King of England or the Emperor of Germany does not travel in more imposing style than does Mr. Roosevelt when he is aboard his private yacht. If the people of the country want the aristocracy of wealth instead of intellect in the White House, they should by all means keep Roosevelt there.

Whenever the trusts want anything they begin working in the other direction. They wanted the Democrats but passed at the last session of Congress, and that is why they sent those telegrams to the Senate asking that it be killed. They knew that would do the trick. That is why, at this time, they are giving out the impression that they do not want Roosevelt nominated or elected. They know the people will give them what they do not want. Watch the game.

I was told a few days ago by the highest possible authority that the investigation into the Coal Trust methods by the Interstate Commerce Commission instituted by Mr. William Randolph Hearst, would go to the bottom of things before it was dropped. The Coal Trust must produce its papers and contracts or be haled before the courts of the country and show a reason for its refusal that is legal.

What a republican attorney general has refused to do has been done by a citizen whose sympathies are always with the under dog. More power to his elbow.

One effect that the rottenness in public office under republican administration is going to have, is that it will revive the necessity for a democratic platform next year modeled after that of 1876, on which Samuel J. Tilden was nominated and elected. That platform called for reform in every paragraph. There is as much necessity for reform now as there was then, and it seems to be the consensus of democratic opinion here that the cry of reform will be one of the issues in the next campaign. If the honest men of the nation, regardless of politics, could be made to understand the conditions here in many of the departments, they would sweep the republican party out of office on the cry of reform alone and with no other issue in the campaign.

Mr H. P. Burbage, a student at law, in Greenville, S. **The Wastes of the Body**  
Every seven days the blood, muscles and bones of a man of average size loses two pounds of worn-out tissue. This waste cannot be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions, the strength lets down, health gives way, and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures Indigestion, Dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by Crawford Bros.
