EAST LANCASTER NEWS

Tabernacle Camp W. O. W. was organized last Wednesday with the following membership: W. P. Plyler, Rev. W. C. Winn, H. W. Taylor, Dr. W. H. Sapp, M. Yarborough, Pierce Funderburk, A. C. Rowell, R. M. Yarborough. The membership will be increased considerably in a short time. The men of the community were busy and did not attend the first meeting.

Mr. T. A. Funderburk of Chesterfield was in our community last week looking for a home near a school. He came with the intention of purchasing. He is a stirring man, and we shall be glad if he find a suitable home in our midst.

Miss Hattie Plyler, Dessie Stewart and Bessie Funderburk spent part of last week in Lancaster visiting relatives.

Our community was made sad by the death of Mr. John McGuirt last Friday. He was about 70 years of age, and was a consistent member of the Methodist church. "Uncle Johnny," as he was called, passed away quietly last Friday morning. His remains were interred at Hopewell Saturday. R.E.S.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best.

A CARD.

Mr. Editor: I desire to express my feeling of deep gratitude and profound thankfulness for the substantial aid rendered us of the Second Baptist church here by the Lancaster Cotton Mill company, by Col. Leroy Springs, by the members of the First Baptist church and by all others who in any way rendered aid in providing a house of worship for this church which has recently been completed and dedicated to the service and worship of Christ. Respt,
T. A. Dabney.

The man who spends all of his life in sordid gain should feel glad to know that he cannot take it with him. Indestructible currency has not yet been invented—it either burns or melts.

While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this wound would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by J. F. Mackey & Co., Druggists.

MUST PAY GAMBLER'S LOSS.

San Francisco, Cal., October 1. —Superior Judge Bloss today decided that a bank must cash a draft and check wagered and lost in a gambling game. The decision was in favor of Ralph C. Cotton, of Salt Lake, who sued the First National Bank for this city for \$1,450 on a certified check and a sight draft issued to Clark James.

James lost the check and draft in a poker game in Salt Lake City. After passing through a second person's hands, the check came into possession of Cotton. James ordered payment stopped on the draft and check.

We hope that a select-mothers of our community read the advertisement of Dr. J. C. Moffett's teething powders (ina) that has been appearing in this paper, as it comes to be not only endorsed by the best pediatricians of the land who have used it, but is not a patent medicine, but a favorite prescription of Dr. J. C. Moffett who graduated at Jefferson Medical College, Philadelphia, Pa., and has had much experience in the treatment of children, and his Teethingina becoming so popular he was forced to abandon the general practice to devote his time to the manufacture of these powders that have saved the lives of thousands of children. It is claimed that nothing equals them for the irritations of teething and the summer troubles of children of any age and no mother with small children should be without them.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take.
