The Spinsters' Return.

The Franklin Circle under the efficient management of Mrs. Ira B. Jones and Mrs. Mollie J. Perry gave "The Spinsters' Return From Oklahoma" on Friday night. The play was a grand success, both financially and otherwise. The participants were: President, Mrs. John B. Mackorell; Secretary, Mrs. Harry Hines; Treasurer, Miss Hattie Elliott; Spinsters, Misses Minnie Miller, Edith Stewart, Katherine Foster, Bess Jones, Irene Cunningham, Hattie Miller, Frances Lee, Ivy Crawford, Margie McDow, Allie Hood, Mayme Gregory, Isabella Davis, Estelle Carpenter, Cornelia Elliott, Margaret Johnson; Children, Jno. Poag, Hattie Thomson, Liela Gregory, Kittie McCrorey, Katie Hines, Elliott Springs, Raymond Milling, Henry McIlwain, Louise Wylie; Gentlemen, Messrs. Joe Connors, John Beatty, Latta Hood, Eugene Elliott.

The quaintness as well as the ludicrous style of dressing added much to the entertainment, tho' it is rather beyond descriptive powers. Music furnished by the Spinsters was, of course, delightful, while the behaviour of the children was very commendable. The self-possession of the children, as well as their stage talent, was remarkable, calling forth criticism from the older ones in the audience. Elliott Springs, Raymond Milling, Eugene Elliott and Hattie Thomson were specially good. Conundrums were propounded by the Spinsters for the benefit of the audience at the instigation of our talented editor of "The Review." One of the best was, "Why is Lancaster Cotton Mill Like a Creek?" Because it has "Springs" for its source. This and the others were greeted with applause. The procession in the afternoon was tastefully arranged; six carriages in white and green filled with merry spinsters, besides several equestrians—conspicuous were the two little boys, Elliott Springs and Eugene Elliott, upon their tiny ponies, Harvey Witherspoon and Raymond Milling with their goat wagons. Everybody seemed on pleasure bent. All were delighted with the entertainment for

"A little nonsense now and then, is relished by the wisest men."

The receipts at the doors of the Auditorium of the graded school building netted the sum of \$62.55. Knowing that the purpose of this entertainment is for the establishment of a public library in Lancaster, we think Mrs. Jones and Mrs. Perry (to whom the success of this entertainment is due) deserve lots of credit. I believe that every one who likes good reading and the facilities for this will gladly render them all aid possible for the fruition of this undertaking. Lancaster must fall in line; to aid in this we ask all of the citizens to help them.
