

THE RISE OF THE CHESTNUT

It is a matter of reproach to our social scientists that the habits and customs of the jokers have received so little attention...

Lord Houghton's Premiaeries. As a poet it is easy to understand Lord Houghton, and it is equally easy to overrate him...

CURIOUS COINS

What is that curious-looking copper piece? asked a reporter of a dealer in old coins. "That is the Roman Aes, a coin which was in use in Rome about 2,200 years ago..."

How to Go to Charleston. The traveling public are greatly indebted to the Atlantic Coast Line for the making of a new and most agreeable route from the up-country to Charleston...

PERSONAL PARAGRAPHS

W. S. Gilbert, Mr. Sullivan's collaborator, is to pass the winter in Egypt. King Tieshew is a hand-ome young fellow of twenty-six.

DEWATERING LIFE

It was a Nebraska juke tavern, so-loom, and red-tailed juke, evaded. The sheriff came out to welcome the traveler, and he seemed to be very nice sort of a man.

AS ONE REMARKABLE SIGN

When two or more females board a car at the same time, it's a sign that they are going to quarrel as to who will pay the fare, and that they will finally end in the Philadelphia plan.
